IWLA PLEDGE: "To strive for the purity of water, the clarity of air, and the wise stewardship of the land and its resources; to know the beauty and understanding of nature, and the value of wildlife, woodlands and open space; to the preservation of this heritage and to man's sharing in it; I pledge myself as a member of the Izaak Walton League of America

How to become a member in the Wildlife Achievement Chapter Inc. of the Izaak Walton League of America.

Complete a membership application and obtain a sponsor to sign it with you. Your sponsor must be a current member in good standing. If possible, have the sponsor attend the first meeting with you. If you do not have a sponsor, contact a Chapter member or one of the members on the Board of Directors. All board members are listed on our web site www.DamascusIWLA.org.

Bring the completed application, fees (cash, check, MO) & a government-provided ID to a board meeting. You must appear, in person, at a board meeting before the application will be accepted. Board meetings are held in the main clubhouse on the 1st Wednesday of the month. Please arrive by no later than 6:30 PM and speak to the membership chairman prior to the 7:30 board meeting. At the board meeting, you will meet the officers of the club and will be asked to say a few words about yourself and why you would like to join our club. This is a very informal process. At this time, the board votes on the acceptance of the new applicants.

The next step is to attend a membership meeting. Membership meetings are held in the upstairs dining hall of the main clubhouse. Here, acceptance of new members is voted on by the general membership. Once that is completed, new members are then sworn in by the membership chairperson. Membership meetings are usually held on the 4th Wednesday of the month at 7:30 PM. Most meetings (but not all) are dinner meetings and the social hour starts at 6:30 PM. Dinners are usually around \$10.00. (Wild Game dinner in January is slightly higher). Near the last quarter of the year, membership meetings are often held on odd days around Christmas and Thanksgiving. Check the newsletter, club calendar or the Web Page www.DamascusIWLA.org for the current meeting and event dates.

All new applicants will serve a two year probationary period. During the first two years of membership, you must help with four authorized work projects. A minimum of two of the four projects must be conservation level projects. Failure to complete required work projects after 24 months will prevent renewal of your membership and you could be charged an additional \$100.00 fee in order to renew. All projects are listed on the club web calendar.

Each event lists a contact name and phone number or email address for additional information.

If you are interested in using the chapter's rifle and pistol ranges, you must first pass the Chapter and Range Officer Orientation course. The purpose of this course is to introduce you to the club rules and range safety procedures. The result is you become a Range Officer and can use the ranges on your own. Otherwise, you must use the ranges with another member that is Range Approved. Once you pass the course, you will be issued a Range Access Card. The course is normally offered on the last Sunday of the month in the upper level of the main clubhouse. Expect to be in the course for 3-4 hours. You must pre-register for the class, but there is no fee. Successful completion of the Chapter and Range Officer Orientation class is a prerequisite for taking the Shotgun Range Officer Certification course. The Shotgun Range Officer course is offered every other month. Course participation by your spouse and young children is welcome. Check the chapter's web site for details when classes are offered.
