The sport of Cowboy Action Shooting consists of shooting targets, many of which are steel, with live ammunition. Participation in this sport is done **with the knowledge that shooting firearms is inherently dangerous and it is impossible to guarantee, completely, that occasional lead splatter will not enter the shooting and spectator area.** Every precaution is taken to make this sport safe; however, we cannot be responsible for injuries or property damage caused during shooting matches. All participants and observers must wear hearing and eye protection while in the shooting area. The WAC-IWLA is not responsible for personal injuries, damage to vehicles, equipment, firearms or clothing. **Unsafe behavior, improper use of firearms, failure to obey safety instructions, use of alcohol or drugs (illegal or performance hampering prescription), or failure to respond to any safety command will result in an immediate call of cease fire until the situation is rectified.**

Signing this registration indicates that you understand, and agree with, the aforementioned conditions of the match and that you knowingly forfeit the right to hold the WAC-IWLA, its officers, workers, and/or match personnel liable for injuries or damages caused while participating in shooting events. This also includes the actions of 3rd parties.
