Our thanks to the sponsors of these five new members. If each member proposed one new member, we would have the largest organization on the East Coast. How about it? We all know one person who is interested in the same things we are.

Lloyd Gibson advises we have 326 paid up members and 75 who forgot. If you know of any members who have left the area, please notify Lloyd so that they can be removed from our rolls and transferred to their new area.

TRAP & SKEET

We now have lights on the Trap Range and shooting continues until 9:00 PM on Wednesday evenings. Plenty of willing instructors are always present to help.

Lights have been proposed for the Skeet Range and we hope to have them in operation by the time we go back onto Eastern Standard Time. Any members interested in joining the National Skeet Shooting Association for \$5.00 per year which entitles you to magazine and all benefits, contact Bill Shearn. Our club is now affiliated with this organization.

Don't forget. If you are planning on joining NRA or your membership is up for renewal, contact Paul Riffle. "He gets a discount". Only \$4.00 through him. Pays for a round of Trap or Skeet doesn't it?

Hearty congratulations are due Bill Shearn and Roy Greisler. The first two members of the club to break a "Straight 25" on the Skeet range.
