## IZAAK WALTON LEAGUE OF AMERICA

P. O. BOX 188

SILVER SPRING, MARYLAND

NOVEMBER 1965

### MEMBERSHIP MEETING:

The November Membership meeting will be held at the clubhouse on Wednesday night, November 24, 1965 at 8:00 PM. Bill Crawford, Colt Firearms representative for this area will be on hand with all of Colt's latest firearms, including the AR-15. He will also give a shooting demonstration with plastic wads. Let's show our appreciation for his efforts by attending this meeting.

There are many reasons why the members should try and attend these membership meetings, but the most important is the good fellowship both during and after the meetings. Come on out and meet some of your fellow members, they are great guys.

### WHATS NEW?

On Saturday, October 30, 1965, we held our Conservation Field Day at the League's Grounds on Briggs Chaney Road. Some 50 Scout Troops, composed of 563 Boy Scouts attended the ten classes in Conservation, Firearms Training, Skeet shooting, Archery, Fishing, Game management, forest management and fire fighting. Those in attendance drank 936 Pepsi's, and ate 1000 hot dogs which were furnished by the club. The League received excellent publicity in five local newspapers, and several of the Scout leaders voiced an interest in becoming members of the club. A hearty thanks is due Bob Mangum, our Conservation Chairman, and all of the members who unselfishly gave of their time so that this would be the heralding success that it was. Photos were taken of all the activities and are on display at the clubhouse.

Due to reasons beyond his control, Will Wyckoff found it necessary to resign as Chairman of the Trap & Skeet Ranges at the last Board of Directors meeting. Mike Apperti Sr. was appointed the new chairman and will appreciate any help that the members may give him. This is a terrific job and I think anyone who accepts the position really deserves the thanks and assistance of all the membership.

At the Board of Directors meeting on November 10, 1965, a motion was made and passed to purchase a new semi-automatic, hand loaded, trap machine for the trap range. The machine we now have finally Retired without giving any notice. This motion will be brought before the membership at the November meeting.

At this same meeting a motion was made and passed to build a club re-loading room on the back porch of the clubhouse. All interested members will have an opportunity to come up to the clubhouse in their spare time and help load a few rounds while they shoot the breeze.

Will Wyckoff shot his first 50 straight at a registered shoot in Loch Raven, Maryland this month. Congratulations, Will.

On October 30, 1965, Ray Jackson won a 500 lb live steer at the Izaak Walton Sportsmans Chapter Shoot in Hereford, Maryland. Not only did he win it, but he got to catch it afterwards. I understand it was a sight to behold. Ray chased the steer awhile then the steer chased Ray awhile. Congratulations Ray.

Clint Bowman's son shot 25 straight this month on the skeet range. "Talk about a proud Papa". Congratulations, we need more fine young shooters like you.

The show-offs this month are Lou Gottlied, Roy Greisler, and Bill Shearn. They shot another 25 straight on the skeet range. Some fellows are just good, I guess.

Mr. R.L. Baker, our custodian, had his 79th birthday on October 26, 1965. The members gave him a case of chewing tobacco and wished him well at the October membership meeting.

Our Turkey shoots which are being held every Friday and Saturday night from 8:00 PM until 10:00 PM are doing real well, but we sure could use more shooters. How about it? Thanksgiving is getting near, then there's Xmas. Beats buying a Turkey in the store.
