FEBRUARY 1966

MEMBERSHIP MEETING:

The February Membership meeting will be held at the clubhouse on Wednesday, February 23, 1966 at 8:00 PM. After the regular meeting we will have a film entitled "The Flying Fisherman". I am sure most of you have seen some of these films recently on T.V. and all fishermen should thrill to this one.

Several important issues will be brought before the membership at this meeting for approval and it is hoped that the members who are interested in the future development of this club will be present to express their desires on these matters.

Due to the severe snow storm the January meeting scheduled for January 26th, 1966 was cancelled so a lot of the business from this meeting is being carried over.

WHATS NEW?

We are tentatively planning an Open House at the club grounds for Sunday, May 1, 1966. Plans are still in the planning stage, but we hope to have a two page spread in the local newspapers Sunday supplement section on the Sunday prior to the Open House, which will advertise our club and its facilities to the fullest extent. We also plan to have a Turkey Shoot, an outdoor dinner, and a hospitality committee to greet all comers. Plan to bring a friend out to this club on this date and show him around. Don Olmert has volunteered for the committee chairmanship and will welcome all offers of help.

Lloyd Bowers has graciously "volunteered" to head a Welcoming Committee for the club and plans to have name badges for all the members. He also plans to welcome each new member individually and introduce them to the older members so that we may all get to know each other better.

Henry (Sonny) W. Brinke recently had a disk removed from his back and is recovering at his home, 9304 Colesville Road, Silver Spring, Md. JU 5-2691. Sonny has been one of our most active workers and members and we all miss his presence at the club. Hurry up and re-cooperate Sonny.

Ralph King, our Sergeant at Arms, recently underwent an operation and is convalescing at Holy Cross Hospital, Silver Spring, Md. where he would welcome a visit. Ralph lives at 2376 Glenmont Circle, Wheaton, Md. if anyone would like to send a card.

Don't forget your 1966 dues. If you haven't paid them as yet, rush a check for \$10.00 to Lloyd Gibson, 3320 McComas Ave., Kensington, Md. so that he can issue your 1966 membership card. "Besides we need the money".

The Corresponding Secretary (That's me) volunteered to start a historical committee for the club which will entail preserving all material, photos, articles and anything of interest pertaining to the club's activities so that in the future we will have a record of our achievements. Anyone interested who has old newspaper clippings, photos, or records of the club's activities, please contact me, Jim Glazier, WH 6-1758 or mail to 13711 Parkland Drive, Rockville, Md. so they may be included in the club's History.

COMING EVENTS:

Feb. 19, 1966 - Bob LaCovey has planned another one of his outstanding dances at the clubhouse. \$2.00 per person - Stereo Music - Refreshments, food and setups served - BYOL - 9:00 PM til ? - Pay at the door - It's going to be a real "Gasser".

Feb. 27, 1966 - Mike Apperti Sr. has planned a Turkey and Ham shoot on the club's Trap range - 10' bird event - Proteck - Sudden Death - everyone has a chance to win a Ham or a Turkey - Mark this date on your calendar now.

Now that the weather is warming up we would like to see some of our Summer shooters come out of hibernation and join us on the Trap & Skeet range. Believe it or not some of us are crazy enough to shoot during these recent snow and rain storms. I wouldn't dare mention any names there might be a Psychologist listening.

Let's all bring a friend out to the club this month and see if we can't double our membership. We have one of the most active clubs in the State. Let's keep it that way.

Corresponding Secretary
