## IZAAK WALTON LEAGUE OF AMERICA

P. O. BOX 188

SILVER SPRING, MARYLAND

September 1966

### MEMBERSHIP MEETING:

The September membership meeting will be held at the clubhouse on Wednesday, September 28, 1966, at 8:30 P.M. Presiding over the meeting will be your new President, office officials, and Board of Directors. Come out and meet them and shake their hand. This is the meeting we are expecting a record attendance, so we have not one but two great sportsman films, followed by some of those famous Silver Spring Chapter refreshments.

### CONGRATULATIONS:

The Izaak Walton League of America, Silver Spring Chapter's Annual Chicken Bar-B-Que was an overwhelming success. The Bar-B-Queed Chicken was so good it melted in your hand as well as your mouth. The corn was out of this world and they had more than you could eat. All of the food was fit for a king. The activities, such as the turkey shoots, were enjoyable for all and many people walked away with a plump turkey. The drawing for the raffle of the Browning Automatic 5 shotgun and a case of shotgun shells, trap or skeet loads, was held. The winner of the Browning Automatic 5 was Gene Peeble of Riverdale, Maryland. The winner of the case of shotgun shells was Mr. Davis of Bowie, Maryland. All in all, everyone appeared to have a wonderful time. Our thanks and congratulations for a job well done to the man in charge, Paul Hancock, all the Committee Chairmen, and all the other fine people who helped out.

### ACTIVITY POPULARITY RESULTS:

In the August membership Bulletin there was included a self-addressed post card which requested that each member vote on one item and advise which activity of the club was most important to them. This information was requested in order that the new officers could develop the activities which were most in demand at the new grounds. It was also requested that each member furnish his Zip Code. This is absolutely necessary as we must furnish this Zip Code on all mail as of January 1, 1967 or the members may not receive Outdoor America or the monthly bulletins as the post office may refuse to deliver mail without the proper Zip Code.

It is most discouraging to relate that as of this writing only 121 out of 357 members have returned this card. It would only require two minutes time to fill this card out and mail it and it would be extremely beneficial to our club. It is each member's way of voting for what they are most interested in. As it appears now 2/3 of the members aren't interested in the future development of our new grounds. Please take two minutes of your time and return this card. If you have misplaced this card, please call Jim Glazier, WH 6-1758, and another card will be mailed for your use.

As of this writing the following results are in:

Pool: Yes-32, No-89

Most interested in: In number of importance;

	First choice	Second choice	Third choice	Fourth choice
Trap	33	13	4	2
Skeet	27	17	9	2
Archery	16	3	9	4
Rifle	13	25	10	5
Pistol	10	13	19	6
Fishing	15	13	10	13
Outings	10	14	9	7
Trails	0	4	4	2
Camping	0	2	6	3

#### WHAT'S NEW:

The clay pigeon shooters this month completely shattered many club and personal records. On the trap sheet, Mike Apperti, Sr. broke his first 25 straight with a very encouraging 49 x 50. Joe Santini broke two 25's back to back for a real good 50 straight. He also won a beautiful trophy in a shoot-off for the Lewis Class, with a 95 x 100.

An item that will be posted every month will be the high trap and skeet scores--the scores to beat. High trap scores are: Ray Jackson 100 x 100, Roger Buckholtz 99 x 100, Sonny Brinke and Dan Dixon 98 x 100. Long runs are: Ray Jackson 100 straight, Roger Buckholtz 75 straight, and Charley Burton and Joe Santini 50 straight. Many names and scores have not been available so please notify us of any high club or individual scores.

In skeet many fine scores are posted: Bob Crothers shot his first 25 straight, Jim Dickerson knocked down a perfect 25 straight. Our first sub-junior to break 25 straight is Billy Shearn, nice shooting Billy. One of the outstanding scores of the month is a real fine run by Joe Santini, a real hot 27 straight. (See the patch on his skeet vest). A real fine score, the highest and the first on the club range is Ray Greisler's 50 straight, also his first. I don't believe there is anyone who will swear to it but Lester Billings also broke 50 straight. On the 18th of September the Izaak Walton League made a very good showing at Andrews Air Force Base with Bill Shearn winning first place in class D, with a 96 x 100. Bob Inman placed second in class D with a real fine 95 x 100. Joe Santini won first in class E with 89 x 100. Very nice shooting, men. The high skeet scores are: Bill Shearn 100 x 100, Lester Billings 98 x 100, Lou Gottleid and Ray Greisler 97 x 100. Come on, skeet shooters, let's get some high scores to post in here.

#### SICK CALL:

John Meggers, a member of the Potomac Chapter, is seriously ill. John has visited our club many times and has shot there quite often. He is in the Washington Hospital Center. The club has sent him some flowers, but I'm sure he would appreciate a card or call to say hello.

Charlie Wiles also is in the hospital. I am sure he would like to hear from some of his fellow Waltonians; drop a line or give him a call - he's in Suburban Hospital in Bethesda, Maryland.

#### THE BIG WEEKEND:

The event of the year will be held on Saturday, October 8, 1966 at 7:00 P.M. The place will be DeMatha Catholic High School, Hyattsville, Md. The Silver Spring Waltonians Annual Izaak Walton League of America Installation, "A Gala Affair". Dine, Drink, and Dance to the music of Frank Petti's great band. Don't miss this wonderful evening, get your tickets early, they must be bought by Monday, October 3, 1966. Tickets are \$6.00 per person, which will include Buffet Dinner, Set-up, and Dancing. Bring your own liquor.

Men, do your wives complain that you spend all the food money shooting? Well, here is your chance to make up for all of those hungry nights at home. Sunday, October 9, 1966 at 12:00 noon will be the one and only "Open Mixed Match Turkey Shoot". Where does

it take place? On the club trap range. How does it work? Well, just listen to this. The shooting is done by a two-man team, one good trap shooter and one amateur. The teams are determined by drawing numbers out of a hat. There will be five teams in each shoot. First the five amateurs shoot at ten targets and then the five good shooters shoot at ten targets. The highest total score of both shooters win the turkeys. Yes! that's what I said, turkeys. Both the good shooter and the amateur receive a turkey. Turkeys aren't the only prize - there are also delicious canned hams or quarts of good whiskey. But wait! You say you will be so hungry that you won't be able to shoot. Well, guess what! there will be a FREE, yes, FREE Hot Dog and Coke to every shooter, to give them that little spark they might need to win. Shooting will continue until dark, or until the shooters are so full of free hot dogs they won't be able to stand up and shoot. Hot Dogs will also be sold at a very moderate price to spectators.

Don't forget the Big Weekend, October 8, 1966 at 7:00 p.m. "A Gala Affair"----  
October 9, 1966, at 12:00 - the Open Mixed Match Turkey Shoot". We will be looking for you there.

#### FROM THE FIRING LINE:

ATTENTION: Those of you who are big game hunters and are going into the woods this winter to bring back that Big Buck you've been dreaming about all summer and are not sure your high powered rifle is hitting exactly where you want it to. The club is having one of its sight-in days on Sunday, November 6, 1966. So bring all of the big Iron and make it shoot where you look.

### A MESSAGE FROM YOUR NEW PRESIDENT

I want to take this opportunity to thank all of the members for their vote of confidence and assure all that I will perform the duties of President of OUR chapter to the best of my ability. Yes this is OUR chapter, it belongs to each and everyone of us as members. We each have an interest in its conduct, programs, abilities and limitations. During the forthcoming year we plan many activities in the field of conservation, fishing, hunting, trap & skeet shooting, and last, but certainly not least, the continued growth of our chapter with emphasis on development of our new grounds.

I want to ask each member to take a more active part in OUR chapter by attending the membership meetings and advising your new officers of your desires on the forthcoming programs of the club. I plan to continue with the Past President's excellent program of limiting the business meeting to one hour, and having interesting activities after the regular meeting as well as food and refreshments.

I would like anyone who has suggestions for the good of the chapter to please plan to attend the next regular meeting and bring forth these suggestions so that we may have the best chapter in the entire State. Why not plan to bring a friend to the next regular meeting and share some of the fellowship which is in abundance here. Enclosed you will find a list of the officers for 1966-1967 and their home phone numbers, which we hope you will use often to let us know how you want your chapter run.

Also enclosed you will find a list of committees which will be appointed in the near future. Anyone interested in heading one of these committees or serving on one of them, please contact me as soon as possible.

Hoping to serve you well in the forthcoming year and make ours the finest chapter in the State.

Jim Glazier  
President
