

WILDLIFE ACHIEVEMENT CLUB CHAPTER, INC.

IZAAK WALTON LEAGUE OF AMERICA

P. O. BOX 188

SILVER SPRING, MARYLAND

April 1967

MEMBERSHIP MEETING:

The April Membership Meeting will be held at the clubhouse on Wednesday, April 26, 1967, at 8:30 P.M. Following the meeting there will be a delicious, juicy, tender, mouth-watering, tantalizing, irresistible, outstanding and yummy gourmet treat for all. Sliced ham of young pig on a very hard roll. So bring your new teeth and enjoy this treat with the rest of us. By the way, this can all be washed down with some of the most outstanding beverages ever concocted by man. After all this, there is bound to be some form of very good entertainment for your leisure--altho we have not yet been informed of its content, we are sure it will be of the highest quality--so why not come to the meeting and be surprised with the rest of us.

FINANCIAL BACKBONE:

Fellow members, your club is a non-profit organization. It has no steady income, it has to have a certain amount of funds to maintain the beautiful clubhouse and grounds which you and your fellow members so often enjoy. A very large part of these funds are obtained from your membership dues. When these dues are late coming in, it cuts short the much needed funds used to maintain our club. So if those of you who have not yet paid your 1967 dues will do so as soon as possible it will be appreciated, for these dues are the financial backbone of our club.

SKEET SHEET:

This paragraph would be more appropriately titled Joseph J. Santini & Son, Skeet Shooters, that is not Construction Co., for they really won the honors this month. It was Sunday April 1, 1967, April Fools Day, and they really fooled everyone. First Danny Santini walked away with the sub junior championship by shooting a real fine 83 X 100. Danny, we are all as proud of you as I'm sure yourdad is, keep up the good shooting. To top off this great day for the Santini family, Joe broke every bird he shot at, except for two very small ones, but those who watched this great feat say the two birds were almost scared into breaking. This gave Joe a very fine score of 98 X 100, which completely did away with all competition and gave Joe the first place trophy in D class. We're all glad that Joe and Danny could bring back some of the gold from the Fairfax Rod & Gun Club in Manassas, Virginia, and that the shooting world could see some of the tough shooters that come from the Silver Spring Chapter of the Izaak Walton League of America.
