

# WILDLIFE ACHIEVEMENT CLUB CHAPTER, INC.

## IZAAK WALTON LEAGUE OF AMERICA

P. O. BOX 188

SILVER SPRING, MARYLAND

JULY 1967

### MEMBERSHIP MEETING

The July Membership Meeting will be held at the club house on Wednesday, July 26th, at 8:30 P.M. This is ELECTION NIGHT -- Officers for 1967-1968 will be elected. These officers will be responsible for the control of the chapter for the coming year---let's have a nice turnout. Refreshments will be bar-b-que beef on roll, chips and pickles.

### WELCOME, MR. HUBBARD

We would like to welcome Mr. Hobson Hubbard, our Chapter's new caretaker who came with us on July 6, 1967, to replace Frank Taylor who resigned his position on July 1, 1967. Mr. Hubbard is an ardent outdoorsman who I am sure everyone will come to know in the coming months. It would be greatly appreciated if all of the members and their guests will please register with him prior to using the facilities and present their current membership card when registering, until Mr. Hubbard gets to know us all.

### LOCKER RENTS DUE

Locker rents are due at the club house. For those who have lockers and have not paid their annual rental fee, please contact Ray Fisk any Sunday so this may be taken care of. For those members who are not aware of it, we have individual lockers on the porch for the members' use, for which the club charges a nominal fee. Should you be interested in securing one of these lockers, contact Ray at the club house on any Sunday.

### ATTENTION LADIES

The Sligo Ladies Chapter has extended an open invitation to any members' wives who are interested to join their organization. Our Ladies Chapter has done much to advance conservation in our area, not to mention the assistance they have been to our chapter at many of our functions. On July 4, 1967, they had one of the most beautiful floats which has been seen in this area, in the Annual Takoma Park Independence Day Parade. The float had a waterfall cascading down, several stuffed animals, litter displays, and a lovely sign proclaiming "Our Youth of Today - Conservationists of Tomorrow". This is one of the many outstanding projects which the ladies promote each year to enhance conservation in our area. For more information, please contact: Irene F. Rut, 4309 Colchester Dr., Kensington, Md. WH 6-2317, or Adeline Gooch, 7422 Piney Branch Road, Takoma Park, Md. JU 7-6747.
