NEWS LETTER

This is to remind you that our next membership meeting is to be held June 28 starting at 8:00 P.M.

We have not much news to report. We are proceeding with building our skeet and trap ranges. We have run into a little difficulty in getting started on our clubhouse but the changes and additions to its design are now being handled by a professional engineering group.

This is to remind you that the Union Trust will make a donation of \$10.00 to our National Izaak Walton League home for all those who finance a car with them and request that this donation be made. As is general practice and is the policy, we must advertise in our News Letter at least two times any proposed changes in our by-laws. For the second time, these proposed changes are as follows:
