May Newsletter

Next Membership Meeting, May 23, 1979 - Next Board Meeting, June 13, 1979

CHAPTER MEMBERS - YOUR ATTENTION PLEASE TO AN URGENT MATTER. Our chapter cannot exist unless our monthly bills and mortgage payments are met. Our mortgage payment alone runs over \$1,500 per month. Other expenditures have been reduced to a minimum by a few faithful members working overtime on do-it-yourself projects or donating materials, equipment, and money. These hard workers have paid their Membership Expense Share (MES) and continue to give their time and energy. One member gave 25 hours this past week in addition to his regular job. We realize that everyone cannot donate time or chair special club events such as Bar-B-Ques, Beef Roasts, and Oyster Feeds or chair committees. Hence, the MES was approved last year to make it possible to meet monthly obligations. For 1979, the response has been slow, so slow in fact that the May mortgage payment was paid late. We appeal to you to mail your \$90 MES to Membership Secretary Joe Carinci, 24412 Kakae Drive, Damascus, Md. 20750 today. You may pay \$45 now and the other \$45 July 1st to help the checkbook. Without your response and support, the beautiful chapter grounds and clubhouse cannot be maintained. Thanks.

LES KENNEY IS DOING IT AGAIN - A Family Style Country Ham and Roast Beef sit-down dinner at our clubhouse for only \$4.50! That's right, just \$4.50 for ham and beef, mashed potatoes and gravy, string beans, applesauce and dessert -- and just \$2.00 for children. You can't afford to eat at home for these prices, so schedule your family and friends for a treat at our club on Saturday, May 19th, beginning at 2:00 p.m. Les can use some help, too, in preparing, serving, and cleaning up. Call Les at 421-9568.

AS A FOLLOW-UP, HOW ABOUT A BULL ROAST with the trimmings, all you can eat and drink for an entire afternoon. Les is doing the cooking again, so I guarantee it will be tasty and well prepared as always when prime beef gets the Les Kenney touch. June 3rd is the date, beginning at 2:00 p.m. through 5:00 p.m. There will be a 50 bird skeet match, also (see the enclosed flyer). Mike Berney 593-7920 and Peter Zagarella 622-1388 are working with Les on this event. Give them a call to help.

EVERY WEDNESDAY EVENING beginning at 6:30 p.m., our club Trap Shooting League gets into action under the direction of Harold J. R. Ale. The League runs for 15 weeks with 50 birds shot each evening by each participant. A handicapping arrangement is used, thus making the less skillful shooter a contender for the eleven prizes to be awarded at the end of the fifteen weeks. To qualify, you must shoot ten of the fifteen evenings. Everyone is eligible, members and non-members, so bring your neighbors and friends out on Wednesdays. We have lights, too, so the shooting continues as long as there are shooters.

OUR CHAPTER SPONSORS THE 5TH ANNUAL HOSPITALIZED VETERANS OUTING. On June 10, the League will host nearly 100 hospitalized veterans from Walter Reed and the Naval Hospital in an effort to brighten their days of confinement. These veterans will be bussed to our chapter grounds for an afternoon picnic, trout fishing, trap and

skeet shooting, and other outdoor activities. We believe this is one way we can show some appreciation for their disablement which occurred while serving our country. It is heart warming to see wheelchair-confined veterans enjoying so much the club and activities which we take as everyday activities. Most of the supply needs for the day are donated by businesses and members; however, we will need to purchase large amounts of hamburger beef for the cookout. If you would like to donate to this special appreciation day, contact Earl Dickinson at 588-1024. Also, we will be needing fishing rods and shotguns for use that day, and of course, people power. The activity begins at 12:00 noon and finishes up about 5:30 p.m. Whether a donor or a helper, this is one day you will feel good about.

**MAY MEMBERSHIP MEETING WILL BE A SPECIAL.** We will honor several community businessmen who contributed to improving our entrance road this spring when mud was knee-deep. Also, how often can you find a complete Ham and Oyster Dinner for just \$3.50. Master Chef Paul Jackson is putting it together with serving to begin at 7:15 p.m. Children's dinners will be \$2.00. Bring the family and friends. **THE NOMINATING COMMITTEE** will be elected that night, too. Ranges will be open. See you there!

**WHAT'S AHEAD?** That famous **IWIA CHICKEN BAR-B-QUE** on June 12th together with a raffle on a trip for two to Bermuda. More later.

**DO YOU HAVE A GRASS MOWER YOU GOT TIRED OF WALKING BEHIND?** We need one for trimming around the club trees and shrubbery. If you have such a donation, give Charlie Wiles a call at 972-1953 for pick-up. Thanks.
