November Newsletter

Next Membership Meeting, November 28, 1979 - Next Board Meeting, December 5, 1979

TURKEYS, HAMS, BACON, BEEF and other prizes are all waiting to be taken home by Turkey Shoot winners. Every Saturday night, Les Kenney organizes a fun time for those who like to be declared WINNERS. The shoots are held in our warm Range House with plenty of eats come rain, snow, cold or moonlight. Bring the family and friends too - shooting begins at 6:30 p.m. Members! - Les (253-3430) needs help too to run the shoots. Come out and give him a hand with this fun event.

FOR THE HARDY -we have a Fall Trap League competition in progress (2nd week). Every Wednesday night for 15 weeks, under the lights, J.R. Ale hosts all comers who like to break clay birds. In addition to that friendly competition, the most improved shooter during this period will win a prize of \$55. Two rounds are fired each night beginning around 6:00 p.m. Beginners have an excellent chance to win that prize money, so bring out the young shooters and wives and enjoy our Trap League activities. The public is also invited. For additional information, call J.R. at 946-6718.

ALSO, FOR THOSE OUT-OF-DOORS AND HARDY WORKERS, the Annual Woodcutters Day is here. On December 7th and 8th, we want to cut, haul, split, and deliver 12 to 15 cords of firewood to homes. This day is a lot of fun and can be enjoyed by the entire family. Bring the kids and wives to help, and if you have a chain saw, bring it too. We will have 3 hydraulic splitters, 3 tractors, and 4 to 5 trucks helping to make the day more productive. All proceeds go to the club for mortgage payments and grounds improvements. Come rain, sleet, snow or sunshine, the Woodcutters Days will go as scheduled. Coffee and donuts will be served at 8:00 Saturday and Sunday mornings, and hot soups, bar-b-que sandwiches and baked goodies for lunch. By the way, this is just one more way to eliminate that MES payment. For additional information, call Charlie Wiles 972-1953 or Skip Johnston 831-6680. If a volunteer with a pickup can deliver some of our firewood to a couple of customers near the P.G. County line, call Charlie.

ANOTHER WAY TO ELIMINATE THAT MEMBERSHIP EXPENSE SHARE (MES) PAYMENT is with new memberships. Thanks to a few hard working recruiters, we have 17 new memberships for this bulletin. If each member brings in one membership this year, we can eliminate the MES completely, but we need your help too. Talk to a friend, a neighbor, a business associate and tell him or her about the wonderful facility and activities we have at our club-grounds. Complete the application blank at the end of this bulletin, attach a check made out to IWLA for \$55 (\$40 dues, \$15 initiation fee) and mail them to Joe Carinci, 24412 Kakae Drive, Damascus, Md. 20750. This would make an excellent Christmas gift for any friend or family member. Help us stamp out the MES with a new membership. For information, call Joe at 253-2951.

THINGS ARE LOOKING UP AT THE PISTOL RANGE - Jeff Rizza (460-3978) and Bob Robinson (253-5546) are the new co-chairmen and they are planning pistol matches, pistol instruction, and several improvements to make it a first class range. Jeff or Bob will be there each Sunday afternoon during good weather days. Come out and join them as part of the Pistol Range Committee and challenge them to a few competitive rounds of firing.

IWLA BONDS ARE CONTINUING TO BE DRAWN FOR PAYOFF. Many thanks to those making the bond a contribution back to the club. This helps the club with our tight finances and provides a tax deduction to the donor. If you would like to donate your bond, let Joe Schoppelrei know when he calls about bond "paybacks."
