Next Membership Meeting, May 28, 1980 - Next Board Meeting, June 11, 1980

THE BULL IS HERE! Come to our June 1st Bull Roast at our club grounds and enjoy the best roast beef you have ever eaten. Chairman Bob Moore plans to open the serving lines at 1 p.m. to potato salad, cole slaw, relish trays, cold beer, soft drinks, and all of that delectable roast beef you can eat. The shooting ranges will be open and the grounds will be at their glorious spring green. This is a beautiful time to enjoy an outing to our club and a great dinner. Bring your friends and give the home cook a holiday. Bob needs help too - members are requested to help for a short period with the serving. Turkey shoots will also be operating with prizes of every kind.

SOS means SAVE OUR STREAMS - a program that originated in Maryland and has been adopted throughout the nation. The object is to adopt a stream, perform appropriate conservation activities with the stream, and then monitor it to keep it clean. Jerry Tacinelli has been chairman of our Chapter S.O.S. Committee for several years with great results, however, he needs more members to help with new activities. Call Jerry at 286-3873 and join this action group. Trout fishermen will especially benefit from this Committee's work.

PISTOL RANGE OPEN HOUSE is scheduled for June 7,8,14, and 15 from 8 a.m. to 5 p.m. If you can help out as a Range Officer for either of these days, please call Jeff Rizza on 460-3978. We need your help! Your cooperation and patience have been and are appreciated while the pistol range is undergoing construction. The range has been recently seeded thanks to the efforts of Skip and others. Some modest landscaping is also planned. Materials have been purchased to build new standards for both ranges and tables for the pistol range. Construction is now underway.

A REMINDER TO ALL SHOOTERS ON THE PISTOL AND RIFLE RANGES. You must sign in at the clubhouse before going to the ranges and sign out when leaving. This is a club regulation and must be adhered to. For new shooters, a Range Test is also necessary and can be taken in five minutes with Al Wright at the clubhouse.

NO CLUB CAN SURVIVE WITHOUT DUES BEING PAID. Members who have not paid their dues or Membership Expense Share (MES) are requested to get both in to Joe Carinci. Our monthly expenditures are over \$2,000 (\$1550 mortgage payment included), and we need your help to meet our obligations. We have the most beautiful IWLA club in the State and the most complete facilities of any club, IWLA or other. Help us keep the club in good standing by paying your MES and/or dues today. Send your check to Joe Carinci, Membership Secretary, 24414 Kakae Drive, Damascus, MD 20750. The MES are \$78 per year, or \$39 per half year. Dues are \$40 per year. Another way to help our club is to sponsor new members. Invite your friends to visit and then sponsor them as an applicant for membership. Call Joe Carinci at 253-2951 for additional information.

CONGRATULATIONS VARMIT SHOOTERS. J.R. Ale won the shoot and an EYE of ROUND prize using his new .222 rifle with a 20x Redfield scope. Second prize and a HAM went to Chris DeForce, age 14, using his dad's rifle. Fred Link took third and the SHORT RIBS prize.

SMALL BORE SHOOT ON SUNDAY, JUNE 15th, RAIN or SHINE. Registration and sight-in will begin at 12 noon and the entry fee is just \$6 to cover costs of targets and prizes. Shoot begins promptly at 1 p.m. Most of the shooting will be at 25 yards from various positions, with a few surprises just to keep the event more interesting. All participants must use a .22 caliber rifle with a maximum weight of 10½ lbs. and scopes will be unlimited. Those using iron sights will be afforded a "handicap." This is a 25 round event with the top 3 scores winning prizes. This is an ideal event for sons and daughters as well as for dads and moms. If enough juniors and moms enter the competition, special prizes will be awarded. For more information, call Smith (460-8762) or Skip (831-6680).

AL WRIGHT, OUR HARD WORKING GROUNDS MANAGER, has done an excellent job in keeping the grounds in shape, but he cannot do it alone. Come out to the club and give Al a hand, weekends or weekdays. Al has a "must do" list posted in the Club Room - just show up, enjoy the out-of-doors, and provide a service to your club.
