Next Membership Meeting, February 25, 1981—Next Board Meeting, March 11, 1981

**THE ANNUAL IWLA 50'S RECORD HOP** will rock around the clock on Saturday night, March 14, at our club hall. The notable D.J. Larry Cooley will spin his collection of records to create an evening of fun for you and your friends. Valerie and Skip Johnston, our hard working Dance Committee Chairpersons, expect a full house. There will be dance contests, prizes, setups and table refreshments, all for just \$8.00 per couple. Dress up for the 50's (saddle shoes, bobbi socks, school sweaters, peg pants, etc) and join the you at heart from 8:30 p.m. to 12:30 a.m. Tickets are limited to allow space for dancing, so call Skip or Valerie today (831-6680) and reserve your tickets. Oh yes, BYOB too.

**EVERY WEDNESDAY EVENING** beginning March 25, at 6:30 p.m., our club Trap Shooting League will get into action again under the direction of J.R. Ale. The league runs for 15 weeks with 50 birds shot each evening by each participant. A handicapping arrangement is used thus making the less skillful shooter a contender for the eight cash prizes to be awarded at the end of the fifteen evenings. Everyone is eligible, members and non-members, so bring your neighbors and friends out on Wednesdays. We have lights, too, so the shooting continues as long as there are shooters. **CALL (JR) FOR MORE INFORMATION 946-6718.**

**JUST SIX MORE WEEKS TO WIN** at our Saturday night Turkey Shoots. Spring Turkey Shoots will end on the last Saturday in March (28th)—come out now and take home a turkey, a slab of bacon, steaks, sausage, and other outstanding winnings provided by Les Kenney and his Shoot Committee. It is an evening of fun and the events help to keep our Treasury solvent. To make the shoots run smoothly, Les needs 4 volunteers to help run the events. Come at 6:30 to the Range House and give us a hand and bring your friends too—they will enjoy being a winner.

**ARE YOU AWARE THAT OUR CLUB HAS A LICENSE TO SELL LONG GUNS** (rifles and shotguns) as well as ammunition and reloading components to members. Les Kenney has just received a license for the club to sell pistols too. If you are interested in any shooter's supplies, see Les Kenney or call him at 253-3430. You can save yourself a bundle.

**ATTENTION RIFLE AND PISTOL SHOOTERS, DO NOT—I REPEAT, DO NOT** drive your car, four wheel drive, dog sled or any vehicle down to the Rifle and Pistol ranges when the road is thawing or wet from rains. Park at the storage shed or the power line and walk to the ranges. Abuse of the road will cause the ranges to be closed. **ALSO MEMBERS**, our club rules clearly state that no guest may use the ranges more than two times and that the guests must be under your supervision. Our activities can only survive with memberships in the club. Invite your guests to join, take the Range Test, and then they can shoot as often as they choose. Members wanting to use the ranges and have not yet taken the Range Test, please call Skip at 831-6680 for a test time.

**THE ABNORMALLY DRY WEATHER THIS FALL AND WINTER** has dried up our original club well and cost the club \$3800 to drill a new one. Our new well is producing a strong flow and should survive future dry periods. The \$3800 expenditure was unexpected, but a necessary one. Since our Treasury could not cover such a large unbudgeted cost, we are seeking donations to help pay off the expenditure. The donations are tax deductible and should be sent to Dave Anderson, IWLA Treasurer, Box 118, Damascus, MD 20750. Make checks payable to IWLA. Thanks

**WE NEED**—(call Les at 253-3430)

- Two members interested in serving on our Board of Directors (to fill recent vacancies)
- A Chairperson for the Save Our Streams (SOS) Committee
- A Chairperson for the Annual Bull Roast scheduled for June 7th

**DUES FOR 1981 ARE PAST DUE.** Members not paying dues by April 1st will be dropped from our club. Send your dues and M.E.S. (Membership Expense Share) to Joe Carinci today at 24412 Kakae Dr. Damascus, MD 20750. Our MES is down from a \$100 per year to \$60 per year. With your help in renewing your membership, sponsoring new-members, and supporting our club activities, we will be able to reduce and eliminate the MES in the near future.

**WE ARE SEEKING YOUR SUGGESTIONS FOR CONSERVATION AND MEMBERSHIP ACTIVITIES.** Several grants of money may become available to help pay the costs of good creative programs. Call Charlie Wiles at 972-1953 or Les Kenney 253-3430 with your ideas.
