

# WILDLIFE ACHIEVEMENT CLUB CHAPTER

The Izaak Walton League of America, Inc. NOVEMBER Newsletter

P.O. Box 118, Damascus, MD 20872

Next Membership Meeting WEDNESDAY NOV 18, 1981 - Board of Directors WEDNESDAY DEC 2, 1981.

WOODCUTTERS DAYS SATURDAY AND SUNDAY DECEMBER 12 and 13, 1981. Bring the whole family. Coffee and doughnuts will be served at 9 AM each day. Lunch features venison bar-b-q and vegetable soup. Between and after these treats will be plenty of wholesome outdoor activity: Cutting, hauling, splitting and loading wood on the trucks. At \$100/cord, the dozen or so cords of wood we move in these two days is a big help in meeting the chapter's budget. Come on out and lend a hand.

WILD GAME DINNER is scheduled for our January membership meeting. Our club's expert hunters are once again called upon to fill the larder. Chef Kenney will transform your contributions into a bountiful feast. Your attendance is the final ingredient to make this event a huge success. Plan to bring the entire family!

TURKEY SHOOTs are still doing well. Volunteers are still needed each Saturday night from 6 to 10 PM. Don't forget your 12 GA guns because volunteers will find ample opportunity to participate in the shoots. It's fun and an easy way to help the chapter.

At this writing the OYSTER ROAST 1 to 5 PM SUNDAY NOVEMBER 15 is too close to announce again, but we hope everyone intends to show Paul Jackson their best oyster appetites. In return he's sure to show you his best oyster recipes.

SIGHT-IN DAYS on the Rifle Range are proving to be very popular as hunters prepare for the 1981 season. A number of prospective new members have attended and the range crews are doing their best to help everyone increase his or her chances to fill their tags.

RANGE HIGHLIGHTS:

Bill Gerwig (286-3935) is our new Metallic Silhouette Chairman. Bill cut out and welded our sets of silhouettes. He is interested in hearing your comments and suggestions for upcoming silhouette shooting events.

Ari Sapir (384-1430) is our new Pistol Chairman. Ari made and welded the new pistol target standards and was previously our co-chairman.

Rodger Armstrong (253-6424), Rifle Chairman, has replaced the old sandbags with 24 new ones and has installed new plywood backboards on the rifle target standards. Rodger is looking for volunteers to cut and donate 2 foot square plywood or paneling sections for replacement stock. These backdrops usually last a couple of months, so we need a continuing supply.

Call any of these chairmen with your comments or suggestions for range activities. Help them in policing the ranges and help the chapter by challenging individuals on the range that you don't recognize.
