

WE'RE EXPECTING 1200 or more to attend a special rental event at the club June 19. On that Saturday Les Kenney (253-3430) must organize 70 to 80 volunteer workers to coordinate various aspects of this event. If you can help park cars, bar-b-que hot dogs and hamburgers, run games and especially clean up, call Les to volunteer. These special rental events put a big dent in the Chapter's mortgage and help us to recruit members as well. Les has need of volunteers for other days as well. Call and lend a hand.

News of the Ranges:

* Thanks to all who donated their time and/or materials to construct the roof at the pistol range, especially Dick Bean for materials and Vernon King, Jr. at Wheaton Lumber for nails.

* Twenty people attended the Basic Handgun Workshop May 9 and thoroughly enjoyed the experience. Favorable comments were received about the emphasis on safety and common sense. Thanks to all who put this educational presentation together, especially Phil Mostrom and Bill Foust.
