NEWS LETTER

MAY MEMBERSHIP MEETING 8:00 PM Wednesday, May 25, 1983; BOARD OF DIRECTORS June 8, 1983.

WEDNESDAY NIGHT, MAY 25th IS OUR SPAGHETTI DINNER MEETING, for only \$3.50 per person. Les and the Italian dinner crew are featuring spaghetti and meat sauce, Fresh garden salad, garlic bread, and perhaps something special to satisfy the thirst. Our membership meeting will begin immediately after dinner. This month is Nominating Committee selection time when the five nominees receiving the most votes will serve to select officer and Board of Director candidates for 1983-84. We need new ideas, more energy, and young participants among the leadership. Come out and help us plan for the coming League year. FLASH Charles Osterberg, Oceanographer, will be our guest speaker.

THE BULL ROAST IS HERE, NOW, SUNDAY JUNE 5th, at our Chapter grounds. From 1 to 5 PM, we will be serving the most delectable beef you have ever tasted along with lots of trimmings, plenty of beer and soft drinks, games, Turkey Shoots, a Raffle, all to the swing of the Overland Express Bluegrass Band on live stage. All of this for the entire afternoon for only \$9.00 per adult (\$3.50 children ages 5-12). Bring the entire neighborhood to this family style outing and enjoy our new picnic tables too.

ALSO ON JUNE 5th, THE RAFFLE PRIZES will be drawn to those lucky ticket holders. The top prize will be an Outdoor Propane Grill with accessories; 2nd prize, a fishing rod and reel; and 3rd a \$25 gift certificate. Fill out those ticket books you received in the mail and mail a check back to IWLA Ch P.O. Box 118, Damascus, MD 20872. You need not be present to win. Need more books? Call Dr. Chaconas at 598 your Bull Roast ticket money to the same address.

THE ENCLOSED FLYER DESCRIBES AN ENERGETIC PROGRAM sponsored by Bill McLaughlin and the Rifle Range Committee. Bill needs more single shot .22 caliber rifles to use for instruction of the juniors in the Marksmanship Course. If you have such that you can loan or donate to this Chapter activity, call Bill at 434-5379 to make arrangements for pickup. If you have young people in your family or neighborhood who can benefit by this training program, again call Bill.

JUST TWO MONTHS AWAY AND COUNTING - the first ever Steam, Gas and Tractor Show in Montgomery County. On July 22, 23, and 24, our Chapter will host hundreds of display exhibits, working units including a sawmill and threshing machine, flea market booths, craft shows, and food stands for the enjoyment of thousands of visitors. The antique machinery and equipment, some over 100 years old, will be operating production activities. This will be our largest undertaking in the history of our club and it can produce substantial revenue for our mortgage payments. We need your help to fill the 100 volunteer slots necessary to make the Steam, Gas, and Tractor show successful. Many sub-committees are being formed to handle various activities.

On Wednesday night, May 18th, at 7:30 at our Chapter house, we are holding another steam show planning session. Everyone is invited to help us with their ideas. Please come out and join this blue ribbon committee. For more information, call Les at 253-3430 or Charlie at 972-1953.

OUR THANKS GOES TO:

- Those sending in old bulletins, minutes, and other historical documents for our office records.
- "Mac" McCollum for his donation of his 50-50 winning to grass seed for the Trap and Skeet area.
- Howard America - a donation when he was unable to participate in the May Cleanup.
- All of those helpers who prepared and catered several weddings at our club (benefiting our Treasury).
