NEWS LETTER

NEXT MEMBERSHIP MEETING, Wednesday, April 25, 1984; BOARD OF DIRECTORS, Wednesday May 9, 1984.

A BIG THANKS TO THE RECORD NUMBER OF MEMBERS who came to our last membership meeting which featured food and information from the Chesapeake Bay. Unfortunately, our primary speaker was sick, but we will reschedule him later this spring and serve up another Bay product special. President Paul Jackson and the Board of Directors are planning a series of dinners for April, May and June on outdoor and conservation topics. Let's fill the Chapter meeting hall for each of these speakers.

FOR THE APRIL 25th MEETING, JACK LORENZ, our National Executive Director, will address our members on the League's national work, update us on national congressional conservation issues, and ON THE LIGHTER SIDE, HE WILL DESCRIBE THE THRILLS OF BASS FISHING. Jack is a collector of antique fishing equipment and spends many of his off hours along bass rivers and farm ponds. Learn a few of the tricks of catching the wily bass. DINNER WILL BE SERVED AT 7:15 P.M. featuring FISH AND CHIPS prepared and served Izaak Walton style. Dinner will be \$4.50 for adults, \$2.50 for children under 12 years of age. YOU DON'T CARE FOR FISH? Paul will have chicken too.

ALSO, BEGINNING APRIL 25 and throughout the summer and fall, our TRAP AND SKEET RANGES will be open every Wednesday from 12 noon to 10:00 P.M. J.R. Ale said that League shooting will be organized with details coming in the May Bulletin.

BULL ROAST CHAIRMAN RICK SOMMER is calling for volunteers to help serve up the BULL on Saturday, June 9, 1984. Rick has Jack Fincham and the Dixie Grass playing live music for everyone to enjoy while that choice hot beef is served hot off the Bar-B-Que Grill. We will be serving from 1-6 P.M. and we will need kitchen help, servers, gamespeople, car parkers, ticket takers, turkey shoot workers and a clean up crew. Call Rick at 253-6380 and help make this annual event a success. Discount tickets will be mailed to you later. Reserve this date for a family outing of fine food and choice country living.

BLAIR SHAW, SAVE OUR STREAMS CHAIRMAN, needs more participation in SOS activities. It takes the concern of many people to maintain monitoring of streams, reporting polluters and helping clean up stream valleys. TROUT UNLIMITED is planning to release up to 2000 brown trout in our SOS Patuxent River. Our chapter has donated funds to the effort and would like to see the stream remain clean enough to allow trout to propagate. Call Blair at 251-2524, volunteer some S.O.S. time.

JUST ONE MONTH OFF — OUR SPRING CLEAN UP AND CONSERVATION FIELD DAY on May 12 (Saturday) and 13 (Sunday). We will provide the luncheon if you will provide the power it takes to complete some of our work in our conservation areas. The Chapterhouse also needs some repairs. Join the fun bunch - enjoy that fresh country air and home cooking of our kitchen.
