# NEWS LETTER

**NEXT MEMBERSHIP MEETING,** Wednesday, January 23, 1985; **BOARD OF DIRECTORS,** Wednesday, February 13, 1985.

**ONCE AGAIN, YOUR IZAAK WALTON CHAPTER WILL HOST THE WORLD RENOWN WILD GAME DINNER AT OUR January 23rd Membership Meeting.** The hunters have braved cold, wind, and snow to fill the larder; now our chefs are preparing a delight that cannot be served in any restaurant. The buffet tables will groan under the weight of such outstanding dishes as deep fried West Virginia venison, smoked Canadian geese, roasted venison ham Maryland style, stewed North Mountain squirrels, roasted Pennsylvania pheasant, roasted Virginia turkey, and of course, that "WILD BOAR" cooked to perfection with an apple firmly held between his teeth. A host of vegetables fitting the Game tradition will be served hot and tasty. Dessert too, if you can house it after the main course. All of this for an adult dinner donation of \$8.00 per person, children under 12 years of age, \$4.00. A cash donation bar will be open before and during the dinner. Serving will begin at 7:00 PM. Bring the whole family to a real treat - bring your neighbors too.

**TURKEY SHOOTS ARE RESUMING ON SATURDAY NIGHT, JANUARY 12th at 6:30 PM** with lots of good prizes to win including rams, turkeys, ribs, steaks, sausage, bacon, and good olde hard cash. There will be an added cash prize given every Saturday. Anyone can win - Paul Jackson won two shoots and a shotgun in one night while firing only two shots - if Paul can do it, so can you. Bring the ladies too, many prizes are won by the ladies each week. The wood stove is perking up the heat and Wanda is serving up the eats; so come out and have a good time. Treat your friends to a fun evening by inviting them to join the fun. Since the Turkey Shoots end on March 2nd you have only seven more weeks to be a winner. Members, we need some help running the shoots - just show up and present yourself as a volunteer.

**ARE THE DARK GLOOMY DAYS OF WINTER CREATING THE BLAHS? DOES YOUR WORK WEEK GROW LONGER EACH MONTH? COME TO OUR VALENTINES DANCE and KICK OFF the blahs and put the old pep back in your life.** Carol Edwards, our creative Dance Chairperson, has planned a "whoppin it up" dance on February 16, from 8 to 12 PM at a price of only \$8.00 per person (price includes setups) BYOB. Advance tickets will be sold at the Wild Game Dinner on January 23rd. Don't miss our one and only dance of the year - music will be played by the Rockin Country Band. For further information and tickets, call Carol at (301) 776-9881 (evenings) and (202) 347-7686 (days).

**ALONG WITH EVERY GOOD TIME IS NEEDED SOME WORK TO PROVIDE THAT ENJOYMENT.** Our Rifle and Pistol Ranges provide thousands of hours of fun for shooters; but they need to be maintained. Both ranges will be closed on Sundays February 3rd, March 3rd, and April 14th, for cleanup and maintenance. We have the best ranges in Montgomery County, and possibly the best in the entire State of Maryland. Do your share in keeping them the best and come out on the above dates to help John Walter and his committee shape up the ranges for 1985.

**A BIG THANKS to Bill Flanagan for arranging our pickup of 30 barrels to replace our rusting trash barrels.**

**AND A BIG, BIG THANKS to all the members (42 in all) who helped cut, split, load and deliver a record 25 cords of firewood in December, and sell a record 160 Christmas trees.** The income was a big boost to our treasury. That big thanks goes to the food preparation crew who, as usual, served real down home "cookin". And thanks to the members who purchased the firewood and trees.

**COMING EVENTS:**

- \* FIREARMS SAFETY WORKSHOP - May 4
- \* SPRING CLEAN-UP AND CONSERVATION FIELD DAY - May 4-5
- \* ANNUAL BULL ROAST - June 9th  
Rick Sommer (253-6380) is Chairperson and he is recruiting volunteers to help make this event our biggest ever. Call Rick or Paul Jackson 253-0027 and offer your help.

**AND NOW YOUR MONTHLY CHESAPEAKE BAY QUIZ!**

1. From what 6 states does the Chesapeake Bay Draw its water?
2. How many species on the Federal Endangered and Threatened species list are found in the Bay watershed?

(Answers at end of newsletter).
