NEXT MEMBERSHIP MEETING, Wednesday, February 27, 1985; BOARD OF DIRECTORS, Wednesday, March 13, 1985.

WHEN THE SNOW DISAPPEARS, SPRING TROUT FISHING CAN'T BE FAR BEHIND. Jay Sheppard from TROUT UNLIMITED, will be our speaker at our February 27 Membership Meeting, sharing his expert techniques and best fishing locations, and displaying the most successful lures and fishing equipment. But before Jay has a chance to speak, we will have a Seafood Dinner served by Chef Paul Jackson at 7:15 P.M. Paul will have Chesapeake Bay Crab Cakes, Oysters and fish gracing our table for your delight. Dinner tickets will be \$6.00 for person and \$3.50 for children under 12 years of age.

YOU HAVE ONLY TWO MORE SATURDAY NIGHTS TO WIN A TURKEY or OTHER PRIZES at our Spring Turkey Shoots. On March 2, our final Shoot until Fall will be held with a cash door prize going to some lucky participant. Shoot winners may select steaks, ribs, sausage, bacon, hams and cash as well as turkeys. Bring the entire family to our last two shoots, February 24 and March 2. J.R. Ale would appreciate some help from members too - just show up and volunteer at 6:30 P.M. Saturday nights in the Range House.

OUR GAME DINNER WAS ONCE MORE A BIG SUCCESS with 160 people attending. Thanks to our skilled hunters, we had plenty of food - in fact, we were able to donate about 200 lbs of food to needy families as a result of the abundance. Thanks to all who helped.

ON MARCH 9 AND 10, THE INTERNATIONAL BOWHUNTER EDUCATION PROGRAM is conducting a class in Bowhunting and Safety at the Prince Georges County Winchester club. For further information, call Doug Smith at 459-5145.

AND ON MAY 11 AND 12 the same group will conduct a bowhunting education and safety program at our Chapter House. Put it on your calendar.

AS THE DAYS GROW LONGER AND SLOWLY WARMER, we prepare for our Spring activities. In early April, we will need help to plant 250 White Pine seedlings, and 300 Scotch Pine seedlings in our pine fields. Call Charlie Wiles and let him know you can help (972-1953).

ALSO COMING WITH WARM WEATHER, our Spring Conservation and Clean-up Days on May 4 and 5. Reserve these dates - again your help is needed.

RON CONLEY IS OUR NEW TRAP AND SKEET RANGE CHAIRMAN as of March 1st. I'm sure we are going to hear from Ron as plans for 1985 fall into place. Ron can use help too - call him at 776-0327.

AS A PART OF THE CHESAPEAKE BAY CLEANUP EFFORT, we are selling Chesapeake Bay Stamps issued by the national IWLA to raise monies for the many cleanup projects. President Paul Jackson has a supply of these stamps at \$5.00 per stamp. These are collectors items. Paul also has several of the full sized prints (numbered and limited to 1200) sponsored by the National Office. All proceeds go to Bay cleanup activities. Call Paul at 926-0733.

AND NOW, YOUR CHESAPEAKE BAY QUIZ

1. How many limbs does a crab have?
2. What does the word "Chesapeake" mean?
