NEWS LETTER

NEXT MEMBERSHIP MEETING, Wednesday, March 27, 1985; BOARD OF DIRECTORS, Wednesday, April 10, 1985.

LOOK WHAT THE SOUTH WIND IS BLOWING IN - A SPARE RIBS DINNER and A PROGRAM ON BASS FISHING. At our Membership Meeting on March 27, we will have those SPARE RIBS with Joe Carinci's special sauce, french fries, cole slaw, garden salad and a surprise dessert, all for \$6.00 per adult, \$3.50 per person under 12 years of age. Dinner at 7:15 PM and then Tom Cawood and friends will tell us all about the secrets of bass fishing. A short meeting will conclude the evening. Bring the whole family, and your friends too.

AS THE DAYS GROW LONGER AND WARMER, OUR WEDNESDAY EVENING RANGE SCHEDULE GETS READY TO GO. On April 24th the Trap and Skeet Ranges will be open every Wednesday evening from 6 to 10 PM, through the early fall. Come out early and shoot in daylight, and as the darkness closes in, the lights will extend your shooting until 10:00 PM. Bring a guest and introduce him to our outstanding Chapter facilities.

CHESAPEAKE BAY PRINTS ARE DOWN TO ONLY 2 prints. This collectors print painted by nationally know artist Maynard Reece, is numbered and limited to only 1200. The National Izaak Walton League headquarters reports that these are the last ones before print #2 comes out in September. Call Paul Jackson at 253-0027, if you want one of these prints. All proceeds go to Chesapeake Bay cleanup projects.

RESERVE MAY 4 or MAY 5 or BOTH DAYS IF POSSIBLE for our Conservation and Clean-Up Days. We have many small projects to complete as well as a major one to screen in our Bar-B-Que shed to meet new Health Department regulations. We will provide the fresh air and good eats if you can provide some of your energy and know how. The whole family can participate in this activity too. Details next month.

A BIG THANKS TO JAY SHEPPARD for last month's program on Trout Fishing. Our Chapter donated \$100.00 to Trout Unlimited to help purchase Trout for restocking the Patuxent River.

ALSO, A BIG THANKS TO JR. ALE for making the Turkey Shoots so successful.

AND A BIG THANKS TO THE FOLLOWING for helping to clean-up and rebuild the Rifle Range on Sunday, March 3:

Kathie Insley	Brian Baldwin	Paul Lubetkin
Fred Link	Chas. Swinford	Joe Reinhardt
John Walter		

OUR NEW ARCHERY COMMITTEE CHAIRMAN IS JIM CARBERRY - Call Jim at 896-4279 and give him a hand at rebuilding the archery butts.

AT A RECENT DINNER RECEPTION at our Chapter, we had to rent a PIANO for the band. If someone in the Chapter would like to donate a Piano, or if you know a friend who would like to make such a donation, please get in touch with Charles Wiles at 972-1953. We will do the hauling, provide the donor with a Letter of Donation for tax purposes, and thank the donor each time the piano is played.

AND NOW, ANOTHER QUIZ ON THE Chesapeake BAY

1. How many acres of non-tidal wetlands have been lost in Maryland in the last 10 years?
2. How many people live in the Chesapeake Bay watershed?
