REMINDER !!! 1986 MEMBERSHIP DUES WERE DUE JANUARY 1.

LEGISLATIVE - Just a reminder to everyone to follow any actions on anti-gun proposals in the media. Please write letters to your congressmen and senators to thwart these actions.

TURKEY SHOOTs are not doing very well. If we do not get more participation and more help we will have to discontinue them. So please, bring your shotguns and your families and come on out and participate.

THE WILD GAME DINNER was a big success. We served approximately 200 people. We would like to thank everyone for their participation and a special guest, Fern Elliott, IWLA National Secretary. We were honored to have her present.

THE MARYLAND STATE HUNTER SAFETY TOURNAMENT to be held on May 3 is in need of volunteers to help run this event. We need Range Officers, NRA Certified Rifle, Pistol and Shotgun Instructors, and people to help with registration, preparation and serving of food, etc. Please give Bobby White a call and volunteer (831-5516).

THE SECOND CHESAPEAKE BAY CONSERVATION PRINTS are now available. There are only 1200 prints available in total and our club has four of those. The prints are \$100 each. There are also stamps and medallions available. For further information, please contact Paul Jackson (253-0027).

RANGES - The Rifle, Pistol, and Archery Ranges will be closed for maintenance on the last Sunday of each month. Work begins at 10:00 a.m. For more information, please contact Jim Carberry (869-4279).

The Skeet League is a definite go and will begin the end of March or the first of April. Follow the newsletter for more information or contact Bobby White (253-5516).

COMMITTEES - The Conservation Committee held its monthly meeting on February 12, 1986. The major topic for discussion was the possibility of raising a covey of pheasants on our property. The next meeting will be Wednesday, March 12, 1986.

We have had a few volunteers for our other committees, but we still need more. The committees involved are Membership, Conservation, Program -- Entertainment, House and Grounds, and Budget and Finance). Please contact Bill Spence to volunteer (946-7716).

The Board of Directors have tentatively approved the use of our grounds for 10 days this summer by the GIRL SCOUTS. The days involved would be August 4-8 and August 11-15, 1986. This will be voted on and finalized at the March Board of Directors Meeting.

MEMBERS UNDER THE WEATHER - We would like to wish a speedy recovery to Joe Corinci who just got out of the hospital and to Merle Keesler who is recovering from a broken wrist.
