NEWS LETTER

••••• NEXT MEMBERSHIP MEETING - Wednesday, December 16, at 7:00 p.m.
This will be a potluck dinner party.

NEXT BOARD MEETING - Wednesday, January 13, 1988, at 8:00 p.m.

The WOOD CUTTERS - over 25 of them, done good, and had a good time doing it. Over \$2,500.00 was cleared. A little more help is needed to stock the winter stove at the Chapter House. See Charlie Wiles, 972-7480.

TURKEY SHOOTS will be discontinued after the last Shoot on December 12, 1987, and will resume in September, 1988. Chairman JR Ale said there will be no Spring or Winter program in order to give the loyal helpers a needed rest. More help means more Shoots means more money means more fun.

CHRISTMAS TREES will be on sale the weekends of 12/5,6; 12/12,13; and 12/26,27, also wreaths and holly. If you are on the signup sheet to help, please come out. Part of the resulting funds will go toward Conservation activities. A tree compactor has been ordered, which will make possible quick packaging of the cut tree, at an extra cost of \$1.00 each. The compacted tree can be transported easier and with less likelihood of damage.

ROCKVILLE CRUSHED STONE has donated 60 tons of crushed aggregate for our driveways and roads. It will be delivered as soon as the ground is dry enough to support the loaded trucks.

The RECYCLING COMMITTEE needs a co-Chairman. Also, a truck (services donated) will soon be needed to haul away the collected glass, paper and aluminum.

The ANNUAL WILD GAME DINNER will be held January 27, 1988, at 7:00 p.m. More venison, geese, bear, dinosaur, and other wild game is needed. Rumors persist that a wild boar has been seen in the neighborhood and might become a major item on the menu.

This affair also features an auction, for which all sorts of items of interest to sportsmen, conservationists and wild life art lovers, are urgently needed. If you can contribute, or finagle, please do. See Paul Jackson, 253-0027.

The RANGE COMMITTEE wishes to express a word of thanks to those members who donated all or parts of the weekend(s) helping to make Sighting-in Days a success.

It has been noted that some Members fail to read the monthly NewsLetter and are failing to comply with warnings regarding violation of Chapter rules. As these violations are discovered we try to make the Members aware of them in hope that all will benefit in being reminded of the rules. We will say again - A RANGE APPROVED MEMBERSHIP CARD MUST BE PROMINENTLY DISPLAYED ON THE MEMBER'S PERSON WHILE USING

THE RIFLE AND PISTOL RANGES FACILITY. It is each member's responsibility to request to see the membership card of any persons not displaying his or her card while using the range facilities and to report violations of the rule. We must protect this property or lose to some jerk who does not belong here.

From the SENECA VALLEY RIFLE CLUB - The high power rifle competition activities ended another very successful year on October 17, 1987. Congratulations to Phil Dean, who recorded the highest score ever fired in Seneca Valley competitions: 471/500. Special thanks to Phil Dean, Mike Gugulis, Bill McLaughlin, Bill Rowan, Carl Wenner, Dave Woodend, and to each participating Chapter Member for making such a successful year possible. We all look forward to next year and continued success.
---Mike Gugulis
