NEWS LETTER

PLEASE NOTE: If you receive your December NEWS LETTER after December 19, please contact the NEWS LETTER editor at 871-6873. We have experienced some unacceptably late deliveries by the Postal Service.

NEXT MEMBERSHIP MEETING will be December 21, Wednesday, starting at 7:00 p.m. This will be our annual Christmas party and pot luck smorgasbord.

NEXT BOARD MEETING will be January 11, 1989.

THE ANNUAL WILD GAME DINNER and AUCTION is scheduled for Friday, January 27, 1989. This is an affair in which every one has a stake. You must provide the game and the items to be auctioned. We still need at least four more venison hams, and at least a dozen more geese. Turkey, pheasants, squirrels and ducks are also welcome, as are larger game animals, such as elk, sheep and pronghorns. For the auction such items as sporting equipment, art objects, paintings, gift certificates, guns, knives, or anything of value you can legitimately obtain, will improve the sale. For farther information contact Paul Jackson at 253-0027. Remember, we are only a little over a month away!

TRASH CLEANUP at only two sites in the Chapter neighborhood netted 26 tons so far. The more Chairman Charlie Wiles removes, the more he finds. He has obtained the cooperation of the appropriate County and State agencies, and will pursue the subject farther in the New Year. Keep informed - he'll need your strong back to help.

LAST CHANCE FOR CHRISTMAS TREES will be the weekend of December 17 and 18. Cost is \$20.00, cut or cut-your-own.

RANGE ORIENTATION and CLEANUP for December has been postponed to January 8, 1989. Both start at 10:00 a.m., and continue until complete, after which the Ranges will be open for use.

SKEET and TRAP RANGES will be closed over the Holidays, from Saturday December 24, 1988, until Saturday January 7, 1989.

TURKEY SHOOTS - By the time you receive this News Letter the Turkey Shoot season will have ended on December 11, 1988. The Shoots will start again in September, 1989, at which time the policy of NO alcoholic beverages on the Range and surrounding area will be in effect.
