# NEWS LETTER

WELCOME TO THE ANNUAL WILD GAME DINNER and AUCTION, which will take place Friday, January 27th, beginning with an open bar 6:30 to 7:15 p.m., dinner 7:30 to 8:15 p.m., business meeting 8:15 to 8:30 p.m., at which time the AUCTION will begin, and continue as long as necessary.

Still needed are more geese, venison quarters, barnyard pheasants, and other game such as elk, moose, sheep, elephant, etc. Also on the menu will be "wild" boar, done to perfection.

Items needed for the auction are derived from donations, such as firearms, archery equipment, artwork, tools, appliances, electronics. Unusuals to be considered are complementary fishing trips, instructions in archery or trap and skeet shooting, and any other services you, as Members, care to donate. The success of the auction depends on you. For further information call Paul Jackson on 253-0027.

The dinner and auction are open to all members, spouses and guests. Price will be \$11.00 for adults and \$5.50 for kids under 12 years of age.

NEXT BOARD MEETING will be Wednesday, February 8, 1989, at 8:00 p.m.

A PROGRAM COMMITTEE has been established for the purpose of improving interest in our Membership meetings, which are scheduled for the 4th Wednesday of every month except November and December. Keep in mind that the next 5 or 6 Membership meetings will feature dinners skillfully prepared and served by our outstanding culinary staff under the direction of master chef Paul Jackson. Tell the spouse.

THE RECYCLING SHED is nearly empty! Charlie Wiles and his assistant elves, including Tom Davis' two sons, who were a great help, loaded a truck and a trailer and hauled the material to Frederick, netting \$125.00 for the aluminum cans. Paper was donated to the Goodwill Industries. Glass must go to the Recycling Center in Frederick. So, bring your glass, aluminum and papers to our capacious shed at that time you come up.

CHRISTMAS TREE and WREATH sales netted over \$5000.00 in December. Trees will be sold again next December, and more will be planted in April. Look for a call to help.

SIGHT-IN DAY netted \$182.00. For the one day, 45 shooters turned out, versus 46 shooters for the two sight-in days in 1987. The Range Committee thanks those who helped make the day a success.

THE ANNUAL BUDGET, prepared and presented by the Budget Committee, was approved as presented by the Board of Directors, for a total of \$99,000.00. Your participation as active Members makes this amount possible. Your Chapter grows stronger every year.

TEN BEAUTIFUL, STURDY PICNIC TABLES were constructed and donated to the Chapter, as an Eagle Scout project, by Eagle Scout BRETT SVATEK, son of Member AUGIE SVATEK.

THERE ARE NOW AN EVEN 50 NATIONAL PARKS in America, according to Outdoor America, the official IWLA publication. How many of them have you visited? How better can we preserve America as our ancestors found it? Help your children to see National Geographic come to life. Make it part of their education.

WHAT IS YOUR DEFINITION of "CONSERVATION"? If you are interested in a particular area of conservation, bring your ideas to our meetings, especially the Board meeting, where they can be discussed, and hopefully, implemented.
