~~OUR CHAPTER SPONSORS MAJOR CLEANUP OF PATUXENT RIVER~~

As an activity of our Chapter's **Save-Our-Streams** Program, the Conservation Committee carried out a major cleanup of the Patuxent River on April 29th. More than 75 tons of trash were removed by 100 volunteers from the Izaak Walton League, Trout Unlimited, Boy Scouts of America, Maryland Department of Parks, Montgomery County government agencies and Howard County government agencies. Local businesses and citizens also donated equipment, food and materials for the activity. Governor William Donald Schaefer attended the cleanup and recognized the accomplishments of the League and other organizations. Many thanks are extended to those who participated.

SPRING CLEANUP DAY at our Chapter Grounds was Saturday, May 6th. Thanks to Dave Anderson, Sr., Ed Bennett, Joe Carinci, Jim Crowley, Wanda Dawson, Joe Hamilton, Bob Lilly, and Ari and Naomi Sapir a number of critical jobs, some of them very dirty (ask Naomi, Joe Carinci and Ed Bennett about the grease traps and BBQ pits!) were completed. However, there is much work left to be done; there will be more work parties. For instance, June 3rd will be the day to rebuild the roof of the BBQ shed: all carpenters, steeple jacks and dare devils please contact Joe Carinci at 253-2951 to volunteer your time - or just come out!

BILL SPENCE is recovering from a hip replacement operation, and his wife, DORIS, is recovering from a broken arm. We wish them both well, and a speedy recovery.

THE 67th NATIONAL CONVENTION OF THE IZAAK WALTON LEAGUE OF AMERICA will be held at Harrisburg, PA, July 18, 19, 20 and 21, 1989. Workshops begin July 19. This provides an excellent opportunity for members of Chapters local to the Montgomery County area to see how our top echelon operates at first hand, whether or not we go as delegates. It is only a pleasant two hours' drive from this area. More information will be published later. Stay tuned.

EDITORIAL

Instances have recently occurred on the Rifle and Pistol Ranges that threaten the safety of our people, in violation of established Range Rules. No one wants an accident to happen, especially if it involves family or friends. It is a hard and fast rule that **NO ONE** is permitted to use these ranges unless they have a "RANGE APPROVED" stamped Membership card prominently displayed. Such an approved member may bring **ONE or TWO** guests, **NO MORE**, at any one time, and such guests **MUST** be under constant and direct supervision of the approved Member. CHILDREN on the Ranges must not be permitted to use the Ranges as playgrounds. Violations of any of the rules of safety will be dealt with by the Range Committee and the Board of Directors, and will result in suspension of ALL Range privileges if found to be factual. It is up to all Members to make sure all safety rules are followed.
