NEXT MEMBERSHIP MEETING will be August 23, at 8:00 p.m., preceded by a surprise menu at a family-level cost. In July "light finger" (food) turned out to be roast beef, pea, potato and bean salads, potato chips, dips and beverage. You missed a tasty dinner if you weren't there; don't miss out again.

NEXR BOARD MEETING will be September 13, at 8:00 p.m.

THE NATIONAL IWLA CONVENTION, held in Harrisburg, PA, July 18-21, was attended, in whole or in part, by Dave Anderson, Joe Hamilton, Mike Kearney, Rick Sommer, Charley Wiles and Leila Wiles. Dr. Wiles also represented the Frederick Chapter, IWLA. It imparted a feeling that an honor had been properly bestowed on a deserving and dedicated IKE when our own Dr. Charley Wiles was nominated and elected to the office of National Vice President. Congratulations, Charley!

LAST CALL FOR THE ANNUAL CHICKEN-CORN BARBECUE!!! Save Sunday afternoon August 20, from 1:00 to 5:00 p.m., for your family and friends, and feast on open pit barbecued chicken, Silver Queen corn, hot dogs, fancy stuff, soft drinks, and more. Hay rides, games for children and adults, Skeet, Trap and Turkey shoots, and an excellent Blue Grass band are all part of the day in our beautiful Chapter grounds. If **you can and will** help, call Mike Kearney at 831-7804.

Rifle and Pistol ranges will be closed all day, as is the policy when major events are scheduled.

THE WILDLIFE ACHIEVEMENT CHAPTER will host a special Save Our Streams (SOS) workshop on August 19, a.m. with an objective to provide instruction on how to recognize various levels of stream pollution, among others. Proximity of the Patuxent River makes our facility a convenient base of operations. The workshop will be directed by the Smithsonian Institution.

NEXT RANGE ORIENTATION AND CLEANUP day will be Sunday, August 27. Come early; ranges will be open after the cleanup is finished. A **thank you** to all Members using the Rifle/Pistol

ranges who are displaying their membership cards, as required, and appreciation for the increased participation on range cleanup day. There were new faces, and it was noted that more work was accomplished. **SPECIAL NOTE:** Please do not put brass in the trash cans; leave unwanted brass lay. **NEW MEMBERS:** Please bring your membership cards (permanent or temporary) to the range orientation classes to be stamped "Range Approved" upon successful completion of orientation.

BY ACTION OF THE BOARD, anyone shooting at the Seneca Valley Rifle Club shoots who cannot present a current membership card in the Wildlife Achievement Chapter will be required to pay an additional fee of \$5.00 per shoot, beginning with the first shoot in 1990.
