NEWS LETTER

NEXT MEMBERSHIP MEETING will be Wednesday, September 27. This will be the Annual Installation (buffet) Dinner, served at 7:00 p.m., preceded by an open bar at 6:00 p.m. Cost will be \$7.00 per person. A speaker has been selected, awards will be presented, Officers and Directors will be installed. Come early and enjoy good food and a great evening.
NEXT BOARD MEETING will be Wednesday, October 11, at 8:00 p.m.

THE HANDGUN SAFETY WORKSHOP scheduled for September 23 has been postponed till a later date. More later.

A STAINED GLASS MURAL, framed, has been presented to the Chapter by the National Awards Committee, for contributing more per member to the National Headquarters Building Fund than any other Chapter in the country.

WOOD CUTTER DAYS ARE NEARING. On October 28 and 29, our Paul Bunyans will cut, split, load and deliver 20 cords of firewood to homes and to our Chapter storage shed. Funds raised by this activity go into our Conservation Fund. Members and non-members wanting to purchase our firewood, please contact Charlie Wiles at 972-7480, or Wanda Dawson at 253-2384. We will need volunteers to help load and deliver the wood on the 28th and 29th - - reserve one or two days for some fresh air and volunteerism for conservation. More details in the October News Letter. Get your reservations in early.

ATTENTION RECYCLERS: Our recycling efforts are doing well, although the profit in newspapers is temporarily near zero. To help us handle the materials, **all newspapers must be securely tied in both directions, or stacked neatly in paper grocery bags.** Recycling is important, but all the work is voluntary - please help us. Glass and aluminum deposits have been received in good order. Our thanks to all for recycling and keeping these materials out of our landfills. Do not break glass containers - too hard to handle.

MARK YOUR CALENDARS, because October 22, from noon till 4:00 p.m., is the date and time for the Second Annual Membership Appreciation Day. All Members and their families are invited to come out and enjoy barbecued pork and chicken, cole slaw, hot dogs, baked beans, soft drinks and more, including games and straw rides. There will be **no charge**, no strings attached, to thank you, the **IKES** of the Wildlife Achievement Chapter. There will be special guests, so come out for a pleasant outing, arranged by the Committee of Charles' (Douglass, Wiles and Schlager).

PHASE III of the CLEANUP OF ILLEGAL DUMPS is coming up, probably in January. Keep tuned in; no matter how cold it will be, the coffee will be hot and plentiful.

RANGE ORIENTATION AND CLEANUP DAY is Sunday, September 24th, beginning at 10:00 a.m.

We will have gravel on site for the Rifle Range, and will need people with rakes, shovels and wheelbarrows to place the gravel around the shooting benches. If you have questions, call Ted Hiers at 253-5298.

All Members using the Rifle and Pistol Ranges are requested to review the Range Regulations, especially those regs pertaining to guests and children; approved targets, and guest liability.

THE CHRISTMAS SEASON will soon be upon us. WE will have trees and wreathes for sale on the first three week-ends in December.
