# NEWS LETTER

NEXT MEMBERSHIP MEETING will be Wednesday, February 28, at 7:00 p.m. This will be a dinner meeting, featuring fried chicken, cole slaw, potato salad, roll, butter and desert, and maybe more. Cost will be \$6.00. Speaker of the evening will be Glenn Cade, champion turkey caller, who will demonstrate his skills. He is always interesting.

NEXT BOARD MEETING will be Wednesday, March 14, at 8:00 p.m. All are welcome.

THE ANNUAL WILD GAME DINNER AND AUCTION was enjoyed by at least 207 (paid) members and guests. The excellent dinner and auction netted approximately \$3,195.00 for the Chapter. Planning and execution of this affair entails a great deal of effort, usually on the part of a few, but extra special thanks are due Paul Jackson and his loyal helpers in the kitchen and elsewhere. This was an outstanding evening for all.

It has become the policy of the Wildlife Achievement Chapter not to waste any food. As in the Sermon on the Mount, when all the leftovers and debris were collected and delivered to the Rockville United Church, enough soup stock was prepared by the church people to supply the Zaccheus (Soup) Kitchen in the District with soup for at least four Saturdays; the Kitchen feeds about 500 people each Saturday.

THE RECYCLING SHED IS EMPTY! Ready for more glass, aluminum and newspaper. If you can take your papers to the nearest County recycling dumpster, please do so, unless it is picked up at your curbside. As a last resort, bring it to the shed on the Chapter grounds. Efforts are being made to develop more markets for recycled newsprint. Experiments at Penn State University show that shredded newsprint makes safe and practical bedding in dairy barns, as one use.

THE ANNUAL DUMP CLEANUP DAY, Saturday, April 21, is nearing. Several Scout troops have volunteered to assist, as have other groups. If enough volunteers show up, more than one site might be cleared. This will be an all-day effort; food will (hopefully) be provided. More details in the March News Letter.

TWO NEW REFRIGERATORS, each with a capacity of 46.6 cubic feet, have been purchased. These stainless steel beauties now adorn our kitchen and are a great aid in food preparation and protection.

The annual **Skeet and Trap Tournament** continues through February on Saturdays and Sundays. A handicap system gives everyone a chance. You must shoot four rounds. Thanks to **Andy Scott** we now have a gravel path leading to the Rifle Range.

All members and their guests using the rifle/pistol ranges must sign in at the Chapter House, using a different line for each person. Because of the rain, the Range Road is still wet and soft. Please do not drive on it until it is dry.

The next Range Orientation class and clean-up day will be Sunday, February 25th, at 10:00 a.m.

A NEW CHAIRPERSON for the Rental Committee has been found! Mrs. Linda Jaffe has volunteered her services. She can be reached at 670-1756 if you know of a rental need for our grounds or Chapter House. If you receive a call from her, needing help, please respond positively (in other words, say "yes").

IF YOU ARE A LANDOWNER, and want to learn more about wetlands and how you can help protect them, call 1-800-TALK-BAY. The IWLA will help.
