NEWS LETTER

NEXT MEMBERSHIP MEETING will be Wednesday, November 28, at 8:00 p.m. Due to a lack of culinary volunteers, this will not be a dinner meeting. Come out and enjoy the new windows, which have been recently installed.

NEXT BOARD MEETING will be Wednesday, **December 5, at 8:00 p.m.** Please note that this will be the **first Wednesday** of the month. The change is due to the Holidays.

WOOD CUTTERS DAY was Saturday, November 17. A good turnout of about 45 Members and Boy Scouts produced 14 cords for delivery plus a supply for the Chapter House. Thanks, everyone!

THE HEAVY RAINS IN OCTOBER flooded the Pistol Range, creating a lake. A plugged drain pipe and more rain has kept it flooded. When dry enough, the pipe will be dug up and opened.

THE RECENT HUNTER SAFETY COURSE educated 120 students at our Chapter. The final course of the year will be at the Frederick Chapter.

THE SECOND ANNUAL GUN SHOW was very successful, with a paid attendance of 805, making the effort very worthwhile. More than 20 helpers made everything easier for Chairman Charlie Douglass. Special thanks go to Chef Paul Jackson for the fine food service, and to Bill Carbone for security. Charlie thanks ALL who helped, but won't cite names for fear he will miss someone. Good job well done, Charlie.

CHRISTMAS TREE SALES BEGIN December 1st and 2nd at the Chapter grounds. We have both cut and live trees ranging from \$20.00 to \$25.00, and urge Chapter Members to support the Izaak Walton League by purchasing your Christmas trees from us. Trees will be on sale the first **four** weekends in December, from 9:00 a.m. until dark. Holly and wreaths of many types will be made fresh each day. Volunteers to help with sales and wreath making will also be needed. Call Merle Keesler at 854-2029.

Skeet and Trap Ranges will be closed starting December 24 and will reopen January 5,

THE ANNUAL AWARDS DINNER for our Boy Scouts will be held at the Chapter House Monday, November 19. We are expecting approximately 80 Scouts, officials and guests for the event, which we will cater.

HAVE NO FEAR, THE ARMY IS HERE. On October 27 and 28 the Save-the-Bay organization hosted a Grassroots Conference for groups supporting the ever more popular environmental movement. Thanks to the Izaak Walton League and others - in the past few years quite a few environmental groups such as: Save-the-Bay, Save Our Streams, Environmental Defence Fund, World Wildlife Fund, Sierra Club, Audubon Society, and various others have arisen in the land. The conference was a collection of the representatives from these groups put into small groups and large groups for discussion of common problems and practices which are faced by all in changing man's awareness of the environment. We were represented by Charlie Schlager.
