NEWS LETTER

NEXT MEMBERSHIP MEETING will be Wednesday, February 27, 1991. A seafood dinner will be served at 7:00 p.m. for \$6.00, after which Larry Hindman, of the Department of Natural Resources, will talk about waterfowl limits and how they come about. A short business meeting will complete the evening.

NEXT BOARD MEETING will be Wednesday, March 13, at 8:00 p.m.

BOB Mabie, Chairman of the RECYCLING COMMITTEE, says we are back in business again, collecting glass and aluminum for recycling. We sell the aluminum, and now have a contractor (D & M Recyclers) who will take our glass when we fill his dumpsters. The large dumpster is for clear glass only. We can use the barrels for green and brown glass, and also, for convenience, for clear. Be certain there are no caps left on and the glass is reasonably clean. Be sure the aluminum cans do not have tin tops. We need lots of **clear** glass to fill the dumpster. Note: **Week end shooters, BRING GLASS.**

Don't forget our annual Skeet and Trap Shoot, which lasts through the month of February. The scores to date leave plenty of room for someone who can shoot to win a prize. If you can't shoot very well, join the rest of us and ~~play~~ d on the handicap system to help you out.

Our thanks to all the strong-armed volunteers who unloaded the truck load of clay pigeons in record time.

The next Rifle and Pistol Range Cleanup and Orientation will be Sunday, February 24, at 10:00 a.m.

THE ADOPT-A-ROAD crew has been at work. As you know, our Chapter has adopted Mullinix Mill Road from Rt. 108 to the Patuxent River bridge, to keep clean. On Sunday, February 4th, the first crew, consisting of Charles Wiles, Rick Sommer, Glen Lewis, Gerry Hiss, Jim Skinner and Bob Lilly, did a bang-up job, picking up 18 large bags of trash, and it only took about 1½ hours! The next crew will go into action in about three months, so you can see it will not be a hardship to anyone. We were happy to see some new Members in the first crew, and hope to see more new Members participating in such events.

THE ADOPT- A -DUMP cleanup will be Saturday, April 6, from 8:30 a.m. until about 2:30 p.m.. More details in the March NEWS LETTER.

AN ORDER has been placed for 2700 white and scotch pine Christmas tree seedlings. Watch for a call to help plant them in the Spring.

RETURNS ON THE QUESTIONNAIRE have been coming in, with over 250 returned so far. They are

being tabulated and Chairman Joe Gick of the Steering Committee will report on results in March.

THE WILD GAME DINNER was enjoyed by at least 238 adults and 9 tots. We were pleased to see so many spouses/other, and young adults, among those present.

OUR SCOUT TROOP will hold a Court of Honor at the Chapter House on Monday, February 18.

NATIONAL EXECUTIVE DIRECTOR Jack Lorenz suffered a heart attack while attending a meeting of the National Officers in San Pedro, California, last week, and will require a quadruple by-pass operation. His address for the next few weeks will be: Room 265, San Pedro Peninsula Hospital, 1300 West 7th Street, San Pedro, CA 90731. Your card would be appreciated.

WANTED: CHAIRPERSON for the Rental Committee: This Committee handles the applications for use of our facilities for such purposes as private parties, weddings, receptions, dinners, picnics and other. It involves negotiating terms, times, arranging contracts, and, primarily, serving as a point of contact between applicants and the Chapter through the Board. Joe Carinci, presently acting as Chairman, will happily provide answers to all your questions, if you call him at 253-2951
