A dinner centering on barbequed beef will be ready for you at 7:15 p.m. Joe Gick, Chairman of the Priorities and Steering Committee, will review the results of the recent questionnaire sent to all Members. He has prepared a quality presentation; don't miss it. You will have a chance to comment.

THE JUNE MEMBERSHIP MEETING will convene at 8:00 p.m. Wednesday, June 26. The June, July and August Membership meetings will not include a dinner. Maybe snacks? There will be a speaker or other entertainment for each meeting.

NEXT BOARD MEETING will be Wednesday, June 12, at 8:00 p.m.

Al TURNER is to be commended for his excellent historical narrative of the many British wars of the late 19th and early 20th century, and the impact of the Martini-Henry rifle on them, at the April Membership meeting. Al also displayed his nearly complete collection of the various Marks and mods of the rifles, and associated equipment.

Dr. Charles I. Wiles will be nominated for the Presidency of the National IWLA at the National Convention to be held July 17, 18 and 19 at Rapid City, South Dakota. THE ANNUAL BULL ROAST AND TURKEY SHOOT will be on Sunday, June 2, from 1:00 to 5:00 p.m. Chairman Charlie Schlager has all his plans in order, and all we need to make the day a real success is good weather and your attendance. The menu has been expanded, the price has been reduced to \$10.00 for adults and \$5.00 for children 12 and under. Games for kids of all ages (3-100) will be ready, and the band will play. Thanks to Bob Woodward and John Corbin, the Skeet and Trap Ranges are open every Wednesday from 5:30 p.m. until dark.

The next Rifle Range Orientation and Cleanup will be Sunday, May 26, at 10:00 a.m.

Don't forget to bring along your aluminum cans and glass when you come to shoot, or for other reasons. "It pays to save".

UNTIL NEW CARETAKERS are secured, volunteers qualified to operate our tractors are needed for mowing grass. There are several acres to mow, and the grass is growing fast, so if you have the time, let the President (Dave) know. It will be appreciated.

PROJECTS IN THE PLANNING STAGE include repainting of the main auditorium, cleaning out the basement storage room, replacing outside doors, installing new transoms over the doors, and procuring new drapes. Don't let all this overwhelm you, we will work on one project at a time until all are done. We must depend upon your volunteer help to do most of it. Tell President Anderson when you will be available.
