THE ANNUAL INSTALLATION and AWARDS DINNER on Friday, September 23rd, was an outstanding occasion. President Sommer made the annual awards presentations, highlighted by the new Robert L. Lilly Award, established in recognition of his long and dedicated service as a member of the Chapter, and his exemplary life. The first four certificates presented in his honor went to Members Dave Anderson, Sr., Joe Hamilton, Paul Jackson and Dr. Charles Wiles. The walnut plaque, which will be hung in the Chapter House auditorium, contains a number of bronze plates, which will be engraved with each recipient's name and the year of award.

Special Certificates of Appreciation were given to:
