The weather was perfect, the food excellent and plentiful, and the kids all had a good time. Help was plentiful and well directed. Thanks, all of you volunteers, especially May and Paul Jackson.

CONGRESS RECENTLY DECLARED the week of November 15-22 "National Sports-mens Instruction Week". More later

THANKS TO BILL RAHN for rebuilding a special part for our mower, used in the Christmas tree patch. WE NEED some volunteers with loppers to trim hardwood growth out of the Christmas tree patch where it interferes with the Christmas tree development and with mowing. Ten or twelve strong hands will make the

task easier. Call Dave Anderson at 585-1053. Set your own time.

GEORGIA TOWNSEND and RICK INSLEY have volunteered to, and will co-Chair the **ANNUAL CHICKEN - CORN BARBECUE**. So, mark your calendars for **Sunday, August 22nd**, from 1:00 to 5:00.

There will be plenty of charcoal barbequed chicken, Silver Queen corn, side dishes, alternates, beverages, and good music to suit and satisfy all. Games for both children and adults will be provided, including hay rides for the youngsters, so be sure to bring them along for the afternoon. The gate price will be \$11.00 for adults, \$5.00 for children 6 through 12, 5 and under free. If you did not use your free ticket for the Bull Roast, use it now; you will need only to show your 1993 Membership Card at the gate. If you would like to help out, or have questions, call Georgia at 588-8335 or Rick at (410) 531-5963. Give Mom and the kids a special break!

PRESIDENT Rick Sommer reported in after he arrived home this week end from the National Convention in Davenport, Iowa. Rick flew to Chicago then rented a car for the drive to and from Davenport, encountering no severe displacements due to the high waters. Rick said our Wildlife Achievement Chapter will be responsible for the Early Bird Party at the 1994 National Convention, next year. The party this year was arranged by the Davenport Chapter and their ladies Anne Ken Chapter and they did such a good job we will have to try very hard to excell them.
