A GRAND OPENING: Our new 5-Stand Sporting Clays facility premiered with a roar during the Barbecue on Sunday, August 22nd. Coupled with the equally successful Turkey Shoot, the 5-Stand game generated what may turn out to be a one-day shooting revenue record for our Club. Seventy-one rounds of 5-Stand were sold that afternoon, many to visibly enthusiastic guests and visitors, all representing potentially repeat business. Most of the system's bugs were killed and the five-man squad of 5-Stand shooters were moved briskly through their rounds in 20-25 minutes. Even better. 5-Stand activity continued high on subsequent regular shooting days...nearly 50 rounds on a torrid Sunday, August 31st. Despite these fusillades, skeet and trap business continues good with some now shooting a few rounds of each! If you haven't already, give it your best shot now...Wednesday evenings, Saturday and Sunday from noon.

glasses. Air pistols and air rifles are available for use by shooters. For information contact Phillip Dean at 831-9325.

TURKEY SHOOTs were inaugurated for the fall season on Saturday, September 4th. Shoots will continue every Saturday night through December. Ed Bennett, Shoot Chairman, will appreciate your help in operating the range; it is too much for one man, and the shoots might be discontinued if no one volunteers to help.

EAGLE SCOUT Jon Arnold has moved and rebuilt the recycling shed. You will find it at the north end of the equipment building, all polished up and ready to be filled with your aluminum cans and aluminum scrap. Bring it in and make recycling Chairman Bob Mabie happy.

RANGE ORIENTATION class will be held Sunday, September 26th, at 10:00 a.m., followed by range cleanup. Ranges will be closed until after cleanup is completed.

FALL CLEANUP DAY is scheduled for Saturday, October 2nd. Bring your own tools; if you don't know what to bring, call Charlie Schlager at 253-2384. He has lots of plans for things to do to improve (maintain) our fine facility.

OUR BOY SCOUT TROOP resumes meeting at the Chapter House on Monday evenings for the fall and winter season. We will hear more about them as the year progresses.

A CHAIRMAN IS NEEDED for the fall Wood Cutters Day. The Chairman will set the date, usually in late October or early November. Contact Rick Insley at 531-5963 for advice, or Charlie Schlager at 253-2384.

A GOOD TIME was had by all who attended the Chicken-corn Barbecue, Co-Chaired by Rick Insley and Georgia Townsend, and Turkey Shoot (Ed Bennett) on Sunday, August 22nd. Approximately 250 adults and a large number of children attended. The chicken and corn were great and plentiful. Games and music provided additional entertainment. The weather cooperated fully. Credit for the fine appearance of the grounds must go to Grounds Keeper Charlie Schlager and his helpers: Paul Bluteau, Tess Dillon, David Donley, Gregg Ernheart, Charles Farber, Patrick Hoff, Les Straw and others. One mishap: Co-Chair Georgia Townsend misstepped and suffered a fractured ankle; she

is recovering with the aid of a walking cast, and is doing well.

HELPING WITH THE Range Clean Up on Sunday, August 29th, were Ed Bennett, John Carey, Bill Carrier, Bill Kelley and Alan Pressman. Charlie Schlager thanks you all.

MERVIN KENNEY, 11781 Cold Brooke Drive, Monrovia, MD 21770, has had some diabetes-related problems including surgery, and is home recuperating. Cards or calls would be appreciated.
