The nomination deadline is June 1<sup>st</sup>.

## **Rifle/ Pistol Committee** (Hans Varmer)

Want to grow in your pistol shooting skills? Then the **Precision Pistol Challenge (PPC)** is designed for you. The purpose of the Challenge is to encourage participants to develop their shooting skills in exercises utilizing strong and weak hand positions in both 2 and 1 hand grips at various distances and sometimes under a time restraint. If you have never shot in a 1-hand, weak hand grip, you may be surprised at how hard and awkward it is. You may want to forgo your heavier calibers and opt for a 22 instead. Imagine the recoil of a 45 ACP shooting 1-hand, weak hand.

This year's **Precision Pistol Challenge** will be conducted over three months, each event more challenging than the last. Mark your Calendar:

May 12 – PPC 101

June 16 – PPC 202

July 14 – PPC 303

Each PPC-Challenge is conducted from 4:00 pm till 7:00 pm in 30 minute segments with 6 shooters in each segment. This is not a training event. You should have the NRA Basic Pistol Course under your belt as well as experience on the range with your firearm.

For more detailed information, please send an email to [wac.instructor@gmail.com](mailto:wac.instructor@gmail.com). Please enter **PPC** in the subject line. You will then receive a document with a description of each challenge and how to pre-register.

## **Girls and Guns Event** (Cherie Aker)

WAC Vision for the Girls and Guns program:

Create a safe and comfortable environment for ladies to gain confidence for safe gun-handling, improve shooting skills, learn a new sport for lifelong enjoyment, and provide an opportunity to meet and develop friendships with other members that share a common interest in recreational shooting.

If this program is of interest to you, please join us for our 2021 Girls and Guns events scheduled for:

- Sunday, May 16<sup>th</sup> Noon to 2:00 pm – Uncovered Pistol Range
- Saturday, August 21<sup>st</sup> 10:00 am to Noon – Covered Pistol Range
- Sunday, October 10<sup>th</sup> Noon to 2:00 pm – Covered Pistol Range

Space is limited – please RSVP to [Cherie.Aker@gmail.com](mailto:Cherie.Aker@gmail.com)

If you do not have your own eye and ear protection – we can provide the required safety gear. Bring your own firearms – or use ours!  
This event is open for all ladies – beginners to experience shooters.

**RANGE SAFETY** (Chuck Crooks) (*This can't be posted enough*)

The club has had security cameras in place for about 6 years. The cameras became necessary after some property thefts and general safety concerns.

Range rules are established for a reason. They are designed to protect the safety of all members, their guests, our neighbors and our property. For these reasons, we take range violations very seriously. No matter how trivial you might think a rule is, there is a basis for safety that must be adhered to.

All range safety rules are accessible from our web site's main menu under the Rifle and Pistol Safety Rules link or you can take this direct link  
<http://www.damascusiwla.org/RiflePistolRules.html>

Recently there has been a series of range rule violations including; shooting from a holster at a non-sanctioned event, failure to display range cards for members and their guests, shooting from the hip, shooting beyond the posted hours, failure to wear safety glasses, failure to write a guests name on the sign in log, using rifle caliber firearms on the pistol ranges and having more than one firearm on the firing line at the same time.

Initial violations (handled by the rifle and pistol committee) can be a warning and/or suspension from the ranges until you retake the range safety course. Serious violations may be reviewed by the board of directors for disciplinary action, up to and including dismissal from the club.

As you know, firearm ranges are always on the radar, especially in our area. Therefore we take our rules and the safety of our members and guests a priority.

As range officers, you are asked to report known violations to the rifle and pistol chairman.
