NEWS LETTER

NEXT MEMBERSHIP MEETING will be Wednesday, June 26. Although previously announced as a non-dinner meeting, ways and means have been found to provide a menu featuring beans and stuff, ready at 7:15 p.m. **BRIAN WEST**, a well-known herpetologist, will provide some very interesting and educational entertainment, probably accompanied by some live exhibits.

NEXT BOARD MEETING will be Wednesday, July 10, at 8:00 p.m

THE JULY MEMBERSHIP MEETING, Wednesday, July 24, will include the report of the Nominating Committee, presenting the proposed slate of officers and directors for the coming year. When the report is presented, the floor will be opened for further nominations, if any are proposed.

OUR CONDOLENCES go to Ed Bennett, Rifle and Pistol Ranges Chairman, whose father died unexpectedly of a heart attack.

BILL SPENCE former President, has been ailing from various causes, beginning with pneumonia. He is presently home recuperating, but its a long row to hoe. His address is: 13207 Grenoble Drive, Rockville, MD 20853.

WE ARE HAPPY TO REPORT that we once again have a full-time Groundskeeper on deck. At the June Board meeting the Board unanimously approved the hiring of Charlie Schlager. Charlie proved his ability as an organizer, manager, conscientious and dedicated worker as Chairman of several of our special events, notably the Bull Roast of June 2. Congratulations from all of us. Charlie can be reached at 301 253-2384.

THE ANNUAL BULL ROAST June 2nd was a very pleasant occasion, blessed with perfect weather, a fine Band, well prepared and presented food and beverages, and manicured grounds. Turnout was disappointing - another 300 to 400 could have been served with little or no additional effort or cost.

THE NATIONAL CONVENTION will be held in **Rapid City, South Dakota, July 17 - 20.** Our Chapter is allotted 8 delegates. So far, Paul Jackson, Rick Sommer, Pres. Dave Anderson, and Leila Wiles plan to attend and represent our Chapter. Dr. Charlie Wiles, who is a candidate for National President, will also attend but will represent the Frederick Chapter. Anyone who would like to attend and be a delegate, please call Dr. Wiles at 972-7480, or Rick Sommer at 253-6380, immediately.

SMOKING IN THE CHAPTER HOUSE during dinner events was voted a resounding **NO** at the May Membership meeting!

CONGRATULATIONS TO **Gus Heon**, who won two free tickets to the Chicken-corn Barbeque to be held in September. His name was pulled at the May Membership meeting when the winning ticket for completing the opinion survey was chosen. (Note: If you returned the survey and noted that no ticket was included, we put your name in the drawing.)

WE HAVE HEARD COMPLAINTS concerning the "aloofness" of old Members toward new Members. To avoid this impression we are asking that Members of longer standing "adopt" new Members as "brothers", and help them get acquainted and integrated into the aims of the IWLA and the activities of the Chapter. Extend your hand and say hello, welcome.

A SMALL NUMBER OF "SAVE THE BAY" Telephone Numbers is available on the table at the door in the dining hall. More can be obtained by writing to: Carol Best, Maryland Office, Chesapeake Bay Foundation, 14 Market Space, Annapolis, MD 21401. A small donation would be appreciated.

These folders contain agencies and numbers for reporting pollution, for getting information, and for getting involved. The Bay needs lots of help.

A PROGRAM FOR AIRGUN SHOOTING might become activated soon. Phil Dean, currently Principal of Baker Intermediate School in Damascus, presented a proposal at the June Board meeting to transfer to this facility the program which has been in effect at that school but which will be terminated at the end of this school year. Shooting would be indoors most of the time. All equipment would be furnished. Participation could include both children and adults. A committee was appointed to work with Phil and to report back to the Board with recommendations.
