RIFLE AND PISTOL RANGE REPORT

The Rifle and Pistol Range Committee report another great turnout for the October 29, 1995 range maintenance day. These large turnouts of willing and able hands allow us to do so much more work in less time. We will finish applying lime to the rifle range with hopes of rain not affecting our November maintenance day.

Many of the favorable comments and compliments passed on from our guests at the Chevy Team Challenge were received with great satisfaction and pride during the post work update. These words on praise were well earned as a whole bunch of IKES and friends worked many months previously whipping the ranges and parking lots into tip top condition.

Yes the next range maintenance and orientation will be the last Sunday of November on the 26th. There is no hunting on that Sunday and we always seem to get a good turnout to do a basic cleanup on that day. See you there at 10 am.

NewsLetter Volunteers(s) Needed

to take charge of mailing the Chapter Newsletter. Herb Ley has done this job for the last year and estimates that the job takes about 6.5 hours per month if done individually, but if you get some help it takes about 3 hours. **The job duties involve** picking up the NewsLetter from the printer, affixing mailing labels and putting in Bulk Mail sequence (by zip code groups), then taking them to the Shady Grove Bulk Mail facility for mailing. Labels are preprinted in zip code order. **Timing is critical** because we try to get the NewsLetter mailed in time for members to receive it prior to the monthly Membership meeting. Please call Herb Ley at 301-942-8461 or Howard Weeks at 301-924-0400 to discuss the job or to volunteer.
